Damodara skips meeting at Gandhi Bhavan; Mahesh Goud turns back

Hyderabad, Nov 5 : TPCC Chief Mahesh Kumar Goud has stepped in to resolve the dispute between Minister Damodara Raja Narasimha and Jukkal MLA Thota Lakshmikantha Rao. He invited both of them to visit Gandhi Bhavan today; however, it is understood that the Minister has conveyed that he will not be attending. The PCC Chief had directed both the Minister and the MLA to come to Gandhi Bhavan to discuss matters related to the 'Delhi issue' (party affairs in Delhi).

Cong spreading false propaganda on SIR to defame democracy: BJP leader Ram Madhav

Hyderabad, Nov 5 : BJP National Vice-President Ram Madhav on Thursday accused the Congress and INDIA bloc of spreading false propaganda over the Special Intensive Revision (SIR) of electoral rolls to undermine public faith in India's democratic institutions.

Addressing a press conference at the BJP state office here, he alleged that Rahul Gandhi was misleading people with claims of vote theft, EVM manipulation and electoral irregularities to cover up the Congress's electoral defeats.

SLBC tunnel to ensure irrigation even during severe drought : Komatireddy

Nalgonda, Nov 5 : Minister for Roads & Buildings and Cinematography Komatireddy Venkat Reddy said the completion of the Srisailam Left Bank Canal (SLBC) tunnel project would enable the State to draw water from the dead storage of the Srisailam reservoir and supply irrigation water to farmers even during severe drought conditions.

Robust security arrangements must be made for the Global Summit : CM Revanth Reddy

Hyderabad, Nov 5 : Telangana Chief Minister Revanth Reddy has directed officials to ensure robust security arrangements for the Global Summit. He also instructed that a liaison officer be assigned to every delegate attending the summit. A meeting of the Telangana Cabinet was held on Thursday, during which CM Revanth Reddy discussed several key issues with his ministers and officials. Instructions have been issued for guests arriving for the global summit to complete the delegate registration and pass-issuance process as soon as they reach the airport.

The Chief Minister instructed that comprehensive information be provided to the delegates well before the global summit. He directed that a dedicated officer and a security officer be appointed for each department. He emphasized giving greater priority to the tourism sector and instructed that prominent tourist destinations in Telangana be showcased at the global summit. Furthermore, he directed that specific discussions on climate change be included in the summit's agenda.

The Chief Minister suggested that the global summit should showcase the entire spectrum of education in Telangana—from the nursery level all the way to the standards of Oxford. He directed that plans for the summit arrangements be prepared by November 15th. Chief Minister Revanth Reddy also stated that Chief Ministers from other states should be invited to the global summit.

Kavitha alleges illegal constructions, financial irregularities in Ayyappa Society

Hyderabad, Nov 5 : Telangana Rakshana Sena (TRS) president Kalvakuntla Kavitha on Thursday alleged that Chief Minister A. Revanth Reddy and his family members were facilitating illegal constructions and financial irregularities in Hyderabad's Ayyappa Society. Addressing a press conference at the party office in Banjara Hills, Kavitha alleged that building permissions were being granted in direct violation of High Court orders, which restricted construction in the area due to critical groundwater concerns. She further claimed that the Chief Minister's brothers were facilitating these unauthorised approvals and collecting commissions.

Clashes during Anantapur Parishad elections

Anantapur, Nov 5: As the Parishad elections are underway in Andhra Pradesh, YSRCP cadres are engaging in acts of violence in several locations. Leaders of the opposition alliance have expressed strong outrage over these attacks by YSRCP groups. In Anantapur district, too, YSRCP members have acted aggressively. Tensions flared up in Polepalli, located in the district's Brahmasamudram mandal, following an altercation between TDP and YSRCP factions near a polling station.

As soon as TDP ZPTC candidate Palabandla Sriramulu entered the village, YSRCP leaders obstructed him. A confrontation began when YSRCP leaders intervened, escalating into a clash between the two sides. A heated argument broke out between the workers of both parties, leading to a brief period of chaos. The police immediately stepped in, dispersed both groups, and brought the situation under control. Polling is currently proceeding as usual in Polepalli. The brother of the TDP candidate sustained serious injuries in an attack by a group of YSRCP troublemakers. Meanwhile, in Chintarlapalli, located in the Shetturu mandal of Anantapur district, YSRCP goons attacked and severely injured the brother of Chennakesava—a candidate for the MPTC (Mandal Parishad Territorial Constituency) seat. The injured man, Mallini, was immediately rushed to the hospital. TDP leaders have expressed strong outrage over the disturbances being created by the YSRCP at the polling stations.

In Kadapa and Pulivendula, Jagan is intimidating voters through his atrocities and acts of violence

Amaravati, Nov 5 : Telugu Desam Party (TDP) Andhra Pradesh President Palla Srinivasa Rao stated that the ZPTC and MPTC elections in the state are proceeding peacefully. He lashed out at the 'axe party' (a reference to the YSRCP, alluding to the axe symbol associated with Y.S. Vivekananda Reddy's murder case), accusing it of attempting to win the elections by deceiving and intimidating voters through lies and acts of lawlessness. Palla Srinivasa Rao made these remarks while speaking to the media in Amaravati on Thursday. They expressed outrage, stating that YSRCP cadres are intimidating voters in Erripalli.

TTD reviews arrangements for Vaikunta Ekadasi

Tirumala, Nov 5 : Tirumala Tirupati Devasthanams (TTD) Additional Executive Officer Ch. Venkaiah Chowdary, along with CVSO Murali Krishna, on Thursday reviewed arrangements for the ten-day Vaikunta Dwara Darshan, scheduled from December 20 to 29, at the Sudharma Meeting Hall in Tirumala. The Additional EO directed officials to make elaborate and well-planned arrangements towards the smooth conduct of the prestigious event.

Harassment by Odisha Police in Kotia villages; Minister Sandhyarani expresses strong indignation

Parvathipuram Manyam, Nov 5: Odisha police have shown excessive zeal in the Kotiya group of villages, harassing tribal residents who were on their way to cast their votes. Minister Sandhya Rani visited the Kotiya villages—an area subject to an ongoing border dispute between Andhra Pradesh and Odisha—and stated that the high-handed actions of Odisha officials and police in these 29 villages have escalated significantly. They criticized the perpetrators for engaging in intimidation, attacks, and kidnappings targeting tribal people. They questioned why, if there was an objection to the elections, the matter was not simply reported to the Election Commission, rather than resorting to attacks on the tribal community.

The Minister warned that any high-handed behavior toward innocent tribal people would not be tolerated. She stated that the Andhra-Odisha border should not be turned into a border akin to the one between India and Pakistan.

Mizoram Guv lauds Zo Inspiration Foundation for aiding over 3,000 needy people

Aizawl, Nov 5: Mizoram Governor General V.K. Singh (Retd) on Thursday praised the Zo Inspiration Foundation (ZIF) for its contribution to social welfare, particularly its efforts to support underprivileged families and people suffering from serious illnesses.

Addressing the Foundation's Capacity Building and Second Beneficiaries Meet in Aizawl, the Governor said its initiatives reflected the spirit of generosity, compassion and social responsibility deeply rooted in Mizo society. He noted that the Foundation had organised more than 100 campaigns through its health and mobile clinic services, charity and medical assistance programmes since its establishment.

It has provided financial assistance exceeding Rs 3 crore to more than 3,000 people suffering from serious ailments. Governor V.K. Singh appreciated the donors and well-wishers whose contributions had helped the organisation sustain its activities.

He also acknowledged the Young Mizo Association (YMA) for assisting in identifying deserving beneficiaries.

Describing the Foundation's activities as an expression of Christian values, the Governor urged it to expand its need-based interventions and explore opportunities to coordinate its initiatives with government welfare schemes.

Emphasising the importance of capacity building, he expressed hope that the interaction with beneficiaries would help them make better use of available opportunities and improve their lives.

Zoramthanga, Chairman of the Foundation, delivered the welcome address, while its founder Emmanuel Thangrosanga presented an overview of its activities and achievements.

CYMA President R. Lalngheta and some beneficiaries also addressed the gathering.

The Governor presented the Zo Inspiration Foundation Award to the Samaritan Association for the Blind in Durtlang.

As many as 212 beneficiaries from outside Aizawl attended the meeting, along with a large number of participants from the city and donors who have supported the organisation.

Union Minister Manohar Lal calls for adopting sustainable construction

New Delhi, Nov 5 : Union Minister of Housing and Urban Affairs, Manohar Lal, on Thursday emphasised the need to adopt eco-friendly and sustainable construction practices, promote modern and emerging technologies, strengthen capacity building and accelerate digital transformation in public infrastructure development. Speaking at Central Public Works Depart ment's (CPWD) 172nd Annual Day celebration at Vigyan Bhawa n in New Delhi, Manohar Lal appreciated CPWD's contribution.

Criticism of Muslim League and CPI is issue based: SNDP strongman Natesan

Alappuzha, Nov 5 : SNDP Yogam General Secretary Vellappally Natesan on Thursday reiterated his criticism of the Muslim League and the CPI, stressing that his comments are issue-based and directed at party policies, not at any community. Speaking to the media in Alappuzha, he clarified that attempts to portray him as anti-Muslim are misleading. Vellappally accused the Muslim League of failing to implement social justice while in power and of attempting to turn the Muslim community against the Ezhava community.

He also said that the CPI's positions have created an impression of disunity within the Left Democratic Front (LDF), urging that differences be addressed internally and reminding that backward communities remain the backbone of the Left.

He alleged that the League, while in power, failed to implement social justice, allowing generous educational opportunities for the Muslim community in Malappuram, while the Ezhava community received only one aided college.

He said the party is now attempting to turn the Muslim community against the Ezhavas, warning that this could lead to communal tensions similar to the Marad riots.

Madhya Pradesh CM directs collectors to ensure uninterrupted fertiliser supply to farmers

Bhopal, Nov 5 : Madhya Pradesh Chief Minister Mohan Yadav on Thursday directed district collectors to ensure adequate and timely availability of fertilisers to farmers, holding them responsible for any difficulty faced by cultivators in obtaining supplies during the ongoing agricultural season.

Addressing collectors and superintendents of police (SPs) through a video conference from his official residence in Bhopal, Yadav said the entire administrative machinery must remain on alert to ensure farmers receive fertilisers according to their requirements. "Farmers should not face any difficulty in getting fertilisers or other essential supplies. Collectors will be held responsible if any such problem arises," he said, according to a statement issued by his office.

The Agriculture Department Secretary informed the meeting that there was no problem with fertiliser supplies in the state.

Yadav also directed officials to conduct crop-loss surveys in 12 districts that received normal rainfall this year.

He said the surveys should be undertaken after the anawari (crop yield assessment) figures are available.

MPSC aspirants stage massive protest in Pune over alleged exam frauds, demand reforms

Pune, Nov 5 : Thousands of aspirants preparing for the Maharashtra Public Service Commission (MPSC) examinations took to the streets of Pune on Thursday, staging a massive Akrosh Morcha to protest alleged exam irregularities, recurring paper leaks and corruption in the state's recruitment process.

The march, which began at Omkareshwar Temple and culminated at the District Collectorate, drew widespread participation from students and support from opposition parties including the Nationalist Congress Party (Sharadchandra Pawar), the Indian National Congress, and Shiv Sena (Uddhav Balasaheb Thackeray).

Clad in a black shirt as a symbol of protest against the state administration and the commission, MLA Rohit Pawar addressed the overflowing crowd of candidates from atop a vehicle, launching a fierce attack on MPSC leadership.

Highlighting recent revelations surrounding the MPSC Excise (Departmental) Examination, Rohit Pawar alleged direct institutional complicity in administrative malpractices, pointing to reports implicating a high-ranking joint secretary-level officer in leaking exam marking patterns. "It is deeply shocking that while students dedicate 20 hours a day to rigorous preparation, officials within the commission are allegedly selling exam materials. This injustice against hardworking candidates will not be tolerated. This march is not political; it is a fight for the future of our youth," he stated.

The protesters have demanded the immediate removal and replacement of the current MPSC Chairman and Secretary and press for their replacement with officers of unblemished integrity.

TN delta farmers seek faster paddy procurement as stocks pile up in open centres

Tiruchi, Nov 5 : Delta farmers have urged the Tamil Nadu government to speed up paddy procurement and ensure the immediate movement of procured stocks from Direct Procurement Centres (DPCs), warning that delays are causing large accumulations at open yards and slowing fresh procurement during the ongoing summer harvest season. With harvesting of the summer crop almost complete across the Cauvery Delta, farmers say poor planning has left thousands of bags of paddy lying exposed at procurement centres for several days. They fear prolonged storage in the open could affect grain quality while also delaying procurement from growers still waiting to sell their produce. The short-term summer paddy crop was cultivated on around 1.60 lakh acres across the Delta beginning in April. Procurement commenced during the last week of June and is scheduled to continue until August.

K'taka govt collecting 10 times cost of guarantees through price hikes: Pralhad Joshi

New Delhi/Bengaluru, Nov 5 : Union Minister Pralhad Joshi has launched a scathing attack on the Congress government in Karnataka, accusing it of pushing the once prosperous state towards economic decline by imposing repeated price hikes while claiming to provide free guarantees.

The Karnataka government, which aggressively campaigned on the promise of free travel before coming to power, has now pushed all four state transport corporations, including Karnataka Road Transport Corporation (KSRTC) and Bengaluru Metropolitan Transport Corporation (BMTC), into severe financial distress, he alleged.

Joshi claimed that the transport corporations had reached a situation where they were struggling even to find money to purchase diesel for their buses. By accumulating thousands of crores of rupees in pending payments under the guarantee schemes, the government had pushed the corporations into financial losses, he alleged.

He expressed concern that the state transport corporations, which were functioning successfully and profitably, had plunged into losses during the three-and-a-half years of Congress rule.

Accusing the Karnataka government of damaging the state's economy, Joshi said it had increased the prices of essential commodities to cover up its lack of planning and administrative failures. After increasing the prices of milk, curd and ghee, the government had now imposed a steep hike in bus fares, delivering repeated blows to the common people, he said.

He alleged that the government had demonstrated poor governance by pushing an economically strong and prosperous state towards financial decline while neglecting public welfare.

Joshi further alleged that development in Karnataka had come to a standstill since the Congress government assumed office. Instead of undertaking development works and strengthening the state exchequer, the government had emptied the treasury, he charged.

Within days of increasing the prices of Nandini milk, curd and ghee, the government had arbitrarily raised bus fares, placing an additional burden on poor people, students and employees earning modest salaries, he said. Questioning the rationale behind the guarantee schemes, Joshi asked what kind of guarantee it was when the government claimed to provide free services on one hand while increasing the prices of essential commodities and everyday services on the other.

The Karnataka government was claiming to offer free benefits but was recovering ten times the cost from people's pockets through successive price hikes, he alleged.

Revanth to launch 9,053-crore projects during three-day Kodangal tour

Hyderabad, Nov 5 : Chief Minister A. Revanth Reddy will undertake a three-day tour of the Kodangal Assembly constituency from November 7 to 9, during which he will launch a series of development initiatives, lay foundation stones for major projects and inaugurate several government facilities. The Chief Minister will lay foundation stones for 13 development projects estimated to cost 9,053 crore and inaugurate 10 government buildings constructed at a cost of 46.08 crore.

On November 7, Revanth Reddy will inaugurate a mega farmers' fair and industrial expo at Hakimpet. He will interact with progressive farmers and agricultural scientists to discuss various issues concerning the agriculture sector. The Chief Minister will also hold a special meeting with industrialists to explore opportunities for accelerating industrial development in the constituency.

On November 8, the Chief Minister will interact with women members of Self-Help Groups (SHGs) and lay the foundation stone for the Ecopalm palm oil factory in the Lagcherla Industrial Corridor, which will be established at an estimated cost of 81 crore. Among the major projects to be taken up are the Kotwalguda-Nacharam Radial Road-II, estimated to cost 5,060 crore; the second phase of the MNKLIS project at 2,100 crore; and the construction of 223 bituminous (BT) roads at a cost of 1,410 crore. He will also launch the construction of an agricultural college in Kodangal at an estimated cost of 123 crore and participate in the programme for establishing 10 Telangana Public Schools at a cost of ?118.80 crore. In addition, works for modern bus stations in Kodangal, Kosgi and Maddur will be taken up. The Chief Minister will also inaugurate several facilities, including police stations, hospitals, colleges and government offices.

Possession Notice (For Immovable Property) Rule 8-(1)

Whereas, the undersigned being the Authorized Officer of **IIFL Home Finance Limited** (Formerly known as India Infoline Housing Finance Ltd.) Hyd set to host world's largest Poultry India expo; 51,000 visitors expected

Hyderabad, Nov 5 : Hyderabad is gearing up to host the 18th edition of Poultry India Expo 2026, one of the world's largest poultry industry exhibitions, at the HITEX Exhibition Centre from November 25 to 27. The three-day international event is expected to attract more than 51,000 industry professionals and over 550 exhibitors representing nearly 120 countries. Organised by the Indian Poultry Equipment Manufacturers' Association (IPEMA) under the banner of Poultry India, the exhibition will bring together poultry farmers, equipment manufacturers, feed producers, breeders, veterinarians, technology providers and industry experts on a common platform.

Union Minister of State for Fisheries, Animal Husbandry and Dairying and Panchayati Raj, Prof. S. P. Singh Baghel, is scheduled to inaugurate the exhibition. He will also inaugurate Poultry Knowledge Day, a specialised industry conference to be held on November 24 at HICC–Novotel, Hitech City.

Spread across seven exhibition halls, the expo will showcase the latest equipment, products and technologies covering poultry breeding, hatcheries, feed manufacturing, farm management, housing systems, disease prevention, egg processing and waste management. The event comes at a time when India's poultry sector is witnessing growing demand for eggs and poultry meat, prompting producers to focus on improving productivity, controlling feed costs and adopting advanced farming practices.

India produced 142.77 billion eggs during 2023–24, retaining its position as the world's second-largest egg producer. The poultry sector is estimated to support 5–6 million livelihoods through farming, feed manufacturing, transportation, processing and equipment supply.

Technologies such as automated feeding systems, climate-controlled poultry housing, farm monitoring solutions, veterinary diagnostics and feed-efficiency innovations are expected to be among the major attractions. Speaking about the exhibition, IPEMA–Poultry India President Uday Singh Bayas said the event would provide.

Possession Notice

Whereas, the undersigned being the Authorized Officer of Asset Reconstruction Company (India) Limited acting in its capacity as Trustee of Arcil **Arcil - Trust -2026 - 015** ("Arcil") under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (54 of 2002) ("said Act") and in exercise of powers conferred under Section 13 (12) of the said Act read with Rule 3 of the Security Interest (Enforcement) Rules, 2002 ("said Rules") issued a demand notice dated, calling upon the borrower viz., the guarantors and the mortgagors to repay the amount, details of which are mentioned in the table below:

Villagers demand immediate closure of Polluting Iron Sponge Plant

Hyderabad, Nov 5 : Residents of Kandivanam and Mogiligida villages in Shadnagar constituency of Rangareddy district have demanded the immediate closure of Om Shiva Shakti Kedia Iron Sponge Industry, alleging that its operations are causing severe environmental pollution and threatening public health. Addressing a press conference at Basheerbagh Press Club in Hyderabad, the villagers alleged that toxic smoke and black dust from the factory were contaminating agricultural fields, reducing crop yields and affecting livestock.

PM Modi assures 'faster justice' as Cabinet approves Rs 3,788-cr extension for Fast Track Special Courts

Prime Minister Narendra Modi said on Wednesday that the Centrally Sponsored Scheme for Fast Track Special Courts will ensure "faster justice". “From less delay to faster justice!” PM Modi wrote on X. The Scheme has a total financial outlay of Rs.3,788.04 crore (Central Share of Rs.2,353.15 crore and State/UT Share of Rs.1,434.89 crore).

The Central Share will be funded from the Nirbhaya Fund. The extended scheme provides for the operationalisation of 850 fast track special courts across the country, up from the present 779 functional courts. Each court will have a dedicated Judicial Officer, a Special Public Prosecutor assigned exclusively to it, and six support staff to ensure focused and expeditious disposal of pending cases of rape and offences under the Protection of Children from Sexual Offences Act, 2012. Central assistance will continue to be provided to states and UTs to meet the operational expenditure of these courts in accordance with the approved funding pattern.

The continuation of the scheme is expected to deliver faster trials and timely justice to victims of sexual offences, reduce the large backlog of rape and POCSO cases, and promote a child-friendly and victim-centric court environment through the establishment of Vulnerable Witness Deposition Centres and specially designed court spaces.

By prioritising cases involving women and children, the scheme also aims to reduce inequalities in access to justice. Implementation will be overseen by the Department of Justice in coordination with state governments and UT administrations.

Expansion of the courts to 850 will be based on the pendency of rape and POCSO cases in different districts. Performance will be monitored through the FTSC Dashboard, periodic progress reports and expenditure statements, along with regular consultations with High Courts and state governments.

The primary beneficiaries remain women and children who are victims of sexual offences.

Launched on October 2, 2019, in the wake of the Criminal Law (Amendment) Act, 2018 and the Supreme Court's directions, the scheme currently operates in 29 states and Union Territories.

Since its inception, the 779 functional Fast Track Special Courts, including 399 exclusive POCSO Courts, have disposed of 4,02,457 cases.

The fresh five-year extension is intended to further strengthen the judiciary's capacity to deliver time-bound justice in these sensitive matters.

Ro Khanna says armed settlers in Israel's West Bank detained him

Washington, Nov 5 : Indian American Congressman Ro Khanna has accused armed Israeli settlers and Israeli soldiers of detaining him and other American citizens in the West Bank and called for an investigation into the episode. Khanna, a California Democrat, told NBC News that settlers carrying M4 rifles stopped his delegation during a three-day visit to the occupied territory.

He said the group feared for its safety.

"They had violent settlers detain American citizens, including an American government official," Khanna said. "You had these settlers brandishing M4s, kicking the tyres of our van, laughing at us, mocking at us, videotaping us." Khanna said the settlers held the delegation for about 20 minutes before four Israel Defence Forces (IDF) soldiers arrived. Instead of immediately clearing the road, he alleged, the soldiers continued to block the group. "We were detained for about 20 minutes, fearful of our lives," Khanna added. "Then the IDF comes- four soldiers -- they tell our translator that they're on the side of the settlers. They further detain us and block us in." The delegation then contacted the US Embassy. Khanna said an official identified as David Brownstein intervened and reached Israeli authorities. He said the group was allowed to proceed about 75 minutes after the episode began.

Congress-CPM differences cloud INDIA bloc’s prospects in Tripura civic polls

Agartala, Nov 5 : The prospects of the Congress and the CPI (M) contesting the November 27 civic elections in Tripura jointly under the INDIA bloc banner appear uncertain amid differences over seat-sharing and the unilateral announcement of candidates by the Left party. Congress Working Committee member Sudip Roy Barman criticised the CPI (M) for announcing its candidates on November 2 without holding proper discussions with the Congress, describing the move as an expression of arrogance and prejudice.

Roy Barman, a former minister and a sitting MLA, said that the Congress was a century-old national party and could not be treated like the CPI (M)'s other Left partners, including the Revolutionary Socialist Party (RSP), Forward Bloc, Communist Party of India (CPI) and CPI (ML). He expressed displeasure over the CPI (M)’s unilateral decision to announce candidates without reaching an understanding with the Congress, indicating that such an approach could undermine the prospects of an electoral understanding between the two parties. The Congress also on Wednesday announced its candidates for all 51 seats in the Agartala Municipal Corporation (AMC).

Meanwhile, CPI (M) Tripura state Secretary and Leader of Opposition (LoP) Jitendra Chaudhury maintained that discussions with the Congress were still underway and that the possibility of a joint contest had not been ruled out.

Chaudhury said that he had held discussions with Roy Barman and Tripura Pradesh Congress Committee President Asish Kumar Saha over seat-sharing arrangements. He said that the principal objective of the two parties was to prevent the BJP from gaining any political advantage in the forthcoming civic elections.

Ahead of Tripura civic polls, three pistols, 50 rounds seized; two Bihar residents held

Agartala, Nov 5 : Tripura Police have arrested two persons from Bihar and seized three pistols, 50 rounds of ammunition and six magazines in Agartala on Thursday, days ahead of the November 27 urban local body elections, officials said.

A police official said that the arrests were made during a special operation near a Shiva temple close to Battala bridge following intelligence inputs about the suspected possession of illegal firearms.

The official said the police team acted on a tip-off and detained the two suspects during the operation. Two mobile phones were also recovered.

According to police, the seized pistols bear the inscription "Made in Italy" and appear to be factory-manufactured. Their authenticity and origin will be determined through forensic examination and further investigation, he said. The identities of the arrested persons have not been disclosed.

Police have registered a case and are investigating the possible source and intended use of the firearms.

The recovery comes amid heightened security preparations for the November 27 civic elections, which include polls to the Agartala Municipal Corporation.

The investigation is underway to establish the full circumstances surrounding the recovery of the arms and ammunition and determine whether others were involved in the case.

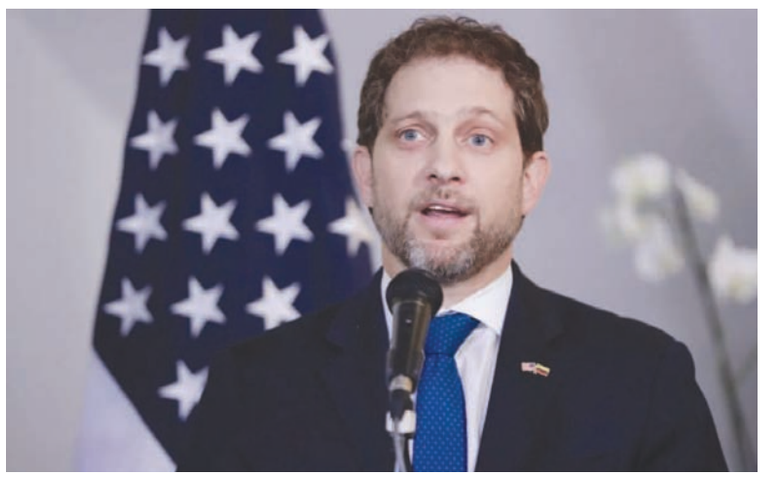

Meanwhile, the Tripura Police last week seized 200 rounds of live cartridges from a passenger-carrying vehicle during a naka checking operation at Maharani in Gomati district and arrested an arms trafficker in connection with the seizure.

The official said that the vehicle, a Max, was travelling from Agartala towards Raishyabari in Dhalai district when it was intercepted by police near Maharani Police Outpost.

According to the official, police stopped the vehicle during a routine checking operation and conducted a search, during which 200 rounds of live cartridges were recovered.

One person, identified as Bimal Chakma alias Jayanta Lal Chakma, 37, was subsequently arrested in connection with the incident.

Former US Security Adviser warns Trump policies driving allies away

Washington, Nov 5 : Former US Deputy National Security Adviser Jon Finer has warned that countries across Europe, Asia and the Middle East are reducing their dependence on the United States, arguing that President Donald Trump’s policies are weakening American partnerships and imposing economic costs at home.

“The World Is Cutting Ties With America. It’s Already Costing Us,” Finer wrote in a guest essay published by The New York Times on Friday. He said European policymakers were expanding their defence, energy and technology industries while diversifying relations with other countries. The shift was visible at last week’s NATO summit in Ankara, where Trump renewed threats against US allies Denmark and Spain, he wrote. Finer argued that the trend extended well beyond Europe. He attributed it to what he described as the Trump administration’s “ostentatious corruption, trade conflicts, military adventurism and mercurial artificial intelligence regulation”. The former Biden administration official said this amounted to “a nearly global grand strategy of countries distancing themselves from the world’s most powerful nation”.

India declares one-day national mourning on demise of Qatar’s former Amir

New Delhi, Nov 5 : India declared one day of national mourning following the demise of Amir Sheikh Hamad bin Khalifa Al-Thani, Father Amir of the State of Qatar, who passed away earlier on Thursday.

"The Government of India has declared one-day national mourning tomorrow, 13 July 2026, as a mark of respect for His Highness Sheikh Hamad bin Khalifa Al-Thani, Father Amir of the State of Qatar, who passed away today. The National Flag will be flown at half-mast on the day of mourning throughout India on all buildings where the National Flag is flown regularly, and there will be no official entertainment on the day," read a statement by the Ministry of External Affairs (MEA). Parliamentary Affairs and Minority Affairs Minister Kiren Rijiju is expected to visit Qatar shortly to convey condolences on behalf of the Indian government. Earlier in the day, Prime Minister Narendra Modi expressed condolences at the demise of Father Amir Sheikh Hamad bin Khalifa Al-Thani, noting that he was a visionary leader who led Qatar to great levels of development and prosperity and was a true friend of India. "We deeply mourn the passing of Father Amir of State of Qatar, HH Sheikh Hamad bin Khalifa Al Thani. A visionary leader who led Qatar to great levels of development and prosperity, we remember him also as a true friend whom I had the honour of meeting during my last visit to Qatar in February 2024. I convey my sincere condolences to the Amir of Qatar, HH Sheikh Tamim bin Hamad Al Thani and the entire royal family and people of Qatar. May the departed soul rest in eternal peace," PM Modi posted on X.

Sheikh Hamad bin Khalifa Al Thani ruled Qatar from 1995 to 2013, when he handed over the reins of leadership to his son Sheikh Tamim Bin Hamad Al Thani. During his reign, Qatar witnessed massive economic, social and cultural development, and the country extended its status among the Arab and international community, according to Amiri Diwan's statement.

US Midterms: Samosa Caucus set to hold at 6; defy forecast of shrinking Indian American bloc in Democratic House

Washington, Nov 5 : Indian Americans are on course to keep six seats in the US House of Representatives, matching their record, after five Democrats from the community won on Thursday and Arizona physician Amish Shah held a lead in a race that had still not been called on Wednesday night.

That would reverse a forecast of a shrinking caucus. Two veterans, Raja Krishnamoorthi and Shri Thanedar, will not return, but two newcomers, Pia Dandiya in Florida and Shah, if he holds on, are set to replace them. Every Indian American who won a House seat is a Democrat, so the entire group will sit in the majority from January. Shah, a Democrat and former Arizona state lawmaker.

India-Germany relationship now deeper and more diverse than ever : German Envoy

New Delhi, Nov 5 : India-Germany relations are entering a new phase of deeper engagement, with both countries expanding cooperation across trade, investment, energy and strategic sectors, German Ambassador to India Jasper Wieck said on Thursday. Speaking to IANS on the sidelines of an event marking the 20th anniversary of the Indo-German Energy Forum (IGEF) here, Wieck said the bilateral relationship has evolved significantly over the years and is now living up to, and even surpassing, the expectations associated with the strategic partnership between the two nations. "We have just celebrated 75 years of diplomatic relations between India and Germany, and we have had a strategic partnership for 26 years. I think we are now living up to the expectations of this strategic partnership and going beyond them," he said. The ambassador highlighted the growing momentum in economic ties and said the proposed India-EU free trade agreement could prove transformative for bilateral commerce. According to Wieck, the agreement, expected to be signed by the end of this year and come into force in the first half of next year, would reduce tariffs on a range of industrial products and some agricultural goods. "The EU free trade agreement, which is to be signed at the end of this year and is expected to enter into force in the first half of next year, will be a game changer for our bilateral trade and investment partnership.

'Deliberate distraction': EU's foreign policy chief rejects Moscow's claim of Ukraine targetting Russian govt sites

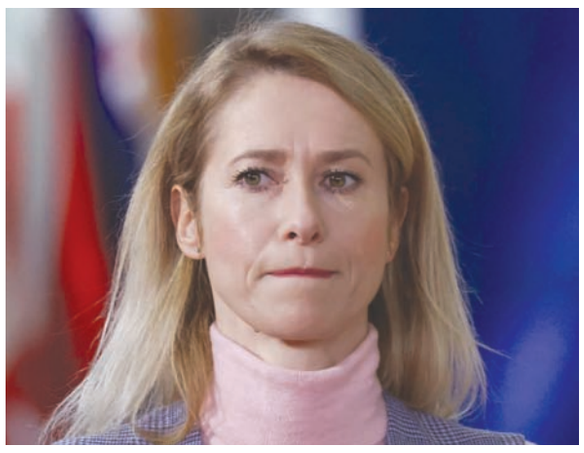

Brussels, Nov 5 : European Union's High Representative for Foreign Affairs and Security Policy Kaja Kallas on Thursday termed Russia's claim of Ukraine targetting its key government sites a "deliberate distraction." She accused Russia of attempting to derail progress made towards peace by Ukraine and its Western partners and urged international community to not trust Moscow's claims.

In a post on X, Kallas stated, "Russia's claim that Ukraine recently targetted key government sites in Russia is a deliberate distraction. Moscow aims to derail real progress towards peace by Ukraine and its Western partners. No one should accept unfounded claims from the aggressor who has indiscriminately targetted Ukraine's infrastructure and civilians since the start of the war."

Her statement comes as Major General Alexander Romanenkov, Chief of the Russian Aerospace Forces' Anti-Aircraft Missile Troops, said on Wednesday that Ukrainian armed forces' drone attack on Russian President Vladimir Putin's residence in the Novgorod region were launched from Sumy and Chernihiv regions.

"At around 7:20 p.m. on December 28, an air attack using unmanned aerial vehicles was discovered from the Sumy and Chernihiv regions of Ukraine," Russian media outlet Izvestia quoted Romanenkov as saying on Wednesday.

Ukraine's attack was targetted, meticulously planned, and multi-layered. According to Russia's Ministry of Defence, its air defence assets destroyed all Unmanned Aerial Vehicles (UAVs) aimed at the presidential residence. Russia used Surface-to-Air

Missiles (SAMs) and Electronic Warfare (EW) systems to repel Ukrainian armed forces attacks over the Bryansk, Smolensk, and Novgorod regions. As many as 41 drones were shot down over the Novgorod region while 49 drones were shot down over the Bryansk region between December 28-29.

On Monday, Russian Foreign Minister Sergei Lavrov accused Ukraine of launching UAVs at the state residence of Putin in the early hours of December 29. He stated that Russia will respond to Ukraine's attack, Russia's news agency Tass reported. On the night of December 28-29, "the Kyiv regime launched a terrorist attack using 91 long-range strike unmanned aerial vehicles on the state residence of the president of the Russian Federation in Novgorod Region", the Foreign Minister said. All drones were destroyed by Russian air defences, and there were no reports about casualties or damage, he said, noting that the development comes amid intense negotiations to resolve the conflict between Russia and Ukraine. Meanwhile, Ukrainian President Volodymyr Zelensky on Monday rejected Russia's allegations, terming it "dangerous statements to undermine achievements of shared diplomatic efforts" made with US President Donald Trump's team and "lies".

Florida Governor calls Midterm rout 'close to extinction-level event', says Republicans failed to 'shut off H-1B visas'

Washington, Nov 5 : Florida Governor Ron DeSantis has faulted Senate Republicans for failing to curb the H-1B visa programme, the main route by which Indian technology professionals work in the United States, as he blamed the party's midterm losses partly on its own voters staying home.

Asked by Fox News host Laura Ingraham how big a mistake it was not to get rid of the Senate filibuster, DeSantis said he "saw no indication that the current group of Republican senators were interested in doing that type of conservative change."

"I mean, why haven't we done immigration, shut off H-1B visas? Why haven't we codified Trump's immigration executive orders?" he told Ingraham. He also asked why Republicans had not "stripped jurisdiction from the federal courts over deportation cases."

"There's so many things that could have been done, they didn't even attempt it," DeSantis said.

He said the midterm result was "a rebuke of the president and the Congress by Democrats, independents and some Republicans that crossed over." But, he added, "a lot of our voters who stayed home, they stayed home because they

were frustrated with the lack of productivity from Republicans in the House and Senate." "So it's really both sides of Pennsylvania Avenue. It's not just one," he said.

At a news conference in Florida on Wednesday, DeSantis called Tuesday's results "close to an extinction-level event.

Pakistan: Journalists observe Black Day in Balochistan, highlight challenges faced by media industry

Quetta, Nov 5 : Journalists in Pakistan's Balochistan province observed 'Black Day' on Thursday to remember November 3, 2007 emergency and protest against the forced dismissal of media professionals, the shutdown of media bureau offices in Balochistan, non-payment and delayed payment of their salaries, local media reported on Thursday. Journalists wore black armbands, hoisted black flags at press clubs and held protests in Balochistan to highlight the challenges faced by the media industry in Pakistan. The protest was held at the call given by the Pakistan Federal Union of Journalists (PFUJ), leading Pakistani daily Dawn reported.

Last month, an Islamabad-based media watchdog documented 97 violations against the media and its practitioners from October 2025 to August 2026. It stated that Pakistan remained a deeply hostile environment for journalism and media professionals during 2025-26 despite the drop in the number of documented violations.

Freedom Network's latest annual Impunity Report 2026 titled 'From Violence to Lawfare: Process as Punishment for Journalists' stated, "About 10 cases a month (against media personnel), their nationwide spread and severity in the period showed that fewer violations did not mean greater safety." The report authored by journalist Adnan Rehmat and Freedom Network Executive Director Iqbal Khattak was produced with technical assistance from International Media Support (IMS). Freedom Network said that at least 97 attacks and other violations were reported between October 2025 and August 2026, compared with 142 in the preceding cycle. Cases reported from October 2025 to August 2026 included one work-related killing, three attempted assassinations, 18 threats of murder or harm, 13 legal actions and 32 threats of legal actions as well as 11 assaults. Punjab reported 49 cases, followed by Khyber Pakhtunkhwa, Islamabad and Balochistan. Digital and independent journalists were targeted most often, according to the report.

Africa CDC urges stronger protection measures for Ebola responders

Addis Ababa, Nov 5 : The confirmed infection of a US humanitarian worker supporting the ongoing Bundibugyo Ebola outbreak response in the Democratic Republic of the Congo (DRC) has added critical urgency to the protection of health responders, the Africa Centres for Disease Control and Prevention (Africa CDC) said.

The Africa CDC said in a press statement that health workers, humanitarian personnel, volunteers and operational staff are "sustaining the response under intense pressure," identifying cases, caring for patients and protecting affected communities in order to contain transmission.

It said relevant authorities and the response team have launched an epidemiological investigation, contact tracing and exposure risk assessments concerning the US humanitarian worker, while highlighting that the exact circumstances of the exposure remain under investigation.

The confirmed case has been supporting the outbreak response in Bunia, the capital of eastern DRC's Ituri Province and the epicentre of the outbreak, Xinhua news agency reported.

Rights body flags rising violence against women, minorities and journalists across Bangladesh

Dhaka, Nov 5 : As atrocities against women and children continues to rise in Bangladesh, at least 261 women and girls were subjected to various forms of violence across the country last month, local media reported, citing a human rights organisation. In its monthly report, Dhaka-based Human Rights Support Society (HRSS) documented 82 rape cases, with 42 of the victims being children. Of the rape victims, five were murdered, while another died by suicide. The report also recorded 72 cases of sexual harassment and nine deaths linked to dowry-related violence. Domestic violence claimed the lives of 47 women, while 21 others died by suicide. In addition, 38 children lost their lives to violence, while 163 others faced abuse, leading Bangladeshi newspaper 'The Daily Star' reported.

Highlighting attacks on minority communities, the report documented four incidents in which seven idols and three homesteads were vandalised in October. Two shrines in Sherpur and Thakurgaon were also attacked.

According to the findings, 33 incidents of mob beatings over allegations of theft, robbery and mugging claimed at least 22 lives and left 20 others injured. Another 22 incidents of mob violence resulted in one death and 36 injuries. The report recorded rising attacks against journalists, with at least 46 media professionals subjected to attacks or harassment in 28 separate incidents during October.

US bill targets Chinese tech firms over national security concerns

Washington, Nov 5 : Republican Senator Rick Scott has introduced legislation that would require the US government to determine whether several Chinese technology firms pose threats to national security. The proposed "Blocking CCP Spy Tech Act of 2026" targets a group of Chinese companies known as the "Six Little Dragons", including DeepSeek, Game Science, Unitree Robotics, DEEP Robotics, BrainCo and Manycore Tech. The companies are based in Hangzhou, China, and are seen as part of Beijing's push into artificial intelligence, robotics and digital technologies.

Under the bill, US national security officials would have one year to investigate whether equipment or services from the companies threaten US national security or public safety. If deemed a risk, the firms could be added to the Federal Communications Commission's "Covered List", which identifies communications equipment and services considered a security threat.

Odisha: Over Rs 107 crore sanctioned for cyclone-hit families in Ganjam, Koraput

Bhubaneswar, Nov 5 : The Odisha government on Thursday sanctioned more than Rs 107.70 crore from the State Disaster Response Fund (SDRF) to provide immediate gratuitous relief assistance to families severely hit by Cyclone Arnab across Ganjam and Koraput districts.

The financial sanction comes directly in accordance with the comprehensive relief package announced by the Chief Minister to mitigate the hardship of affected populations.

A massive chunk of the financial package has been allocated to southern coastal areas where the cyclone caused extensive disruptions to daily life and normal livelihood activities. According to official sources, out of the total sanctioned relief package, Rs 1,07,44,55,000 has been released exclusively for Ganjam district.

On the other hand, an amount of Rs 26,27,500 has been sanctioned

for distribution among eligible beneficiaries in tribal-dominated Koraput district.

As per the relief criteria laid down under the state package, cash assistance of Rs 2,500 will be provided to each eligible family.

In Ganjam district alone, a total of 4,29,782 cyclone-affected families have been identified to receive this direct assistance. Similarly, in Koraput district, 1,051 impacted families will be covered under this ex-gratia disbursement at the uniform rate of Rs 2,500 per household.

The Special Relief Commissioner (SRC) has already placed the sanctioned funds directly at the disposal of the Collectors of Ganjam and Koraput.

The district administrations have been directed to ensure smooth, transparent, and prompt disbursement of the cash relief to verified beneficiaries strictly adhering to standard disaster management guidelines.

Invest Telangana Summit to be country's largest industrial expo: CS

Hyderabad, Nov 5 : Chief Secretary Sanjay Jaju said the Telangana government was making elaborate arrangements to organise the Invest Telangana Global Summit–2026, scheduled to be held from December 7 to 9 at Bharat Future City, Hyderabad, with the aim of positioning it as the country's largest industrial expo. The Chief Secretary reviewed the preparations and progress of various activities planned.

Oracle cancels Tencent AI Chip leasing deal following US pressure: Report

New Delhi, Nov 5 : Oracle has reportedly canceled a multibillion-dollar agreement to lease advanced artificial intelligence chips to Chinese technology giant Tencent after coming under pressure from the Trump administration. The report by Financial Times said US officials approached Oracle with concerns about the arrangement, which would have provided Tencent with access to a large number of advanced AI chips through Oracle's overseas data center network.

The move highlights growing scrutiny by Washington over China's access to cutting-edge computing technology amid an intensifying technology rivalry between the two countries.

The deal, first reported by the Financial Times last month, was estimated to be worth about $7 billion and was described as Tencent's largest overseas leasing agreement.

Under the proposed five-year arrangement, Tencent was expected to gain access to around 100,000 advanced AI chips housed across multiple Oracle data centers in Southeast Asia. The chips were seen as a way for Tencent to bolster its AI capabilities despite restrictions that have limited China's direct access to advanced semiconductors. Washington has imposed export controls on high-end chips and AI-related technologies, while Beijing has pursued policies aimed at strengthening domestic semiconductor capabilities.

According to the report, Tencent has also faced pressure at home. Senior officials from Guangdong province, where the company is headquartered.

Jyothy Labs Q2 net profit tanks 87.9 pc to Rs 10.6 crore, revenue up

New Delhi, Nov 5 : Jyothy Labs on Thursday reported an 87.9 per cent year-on-year decline in its consolidated net profit to Rs 10.6 crore for the second quarter of FY27.

The company had posted a profit of Rs 87.8 crore in the corresponding quarter last year.

Revenue rose 3.3 per cent to Rs 760 crore in the quarter under review, from Rs 736 crore in Q2 FY26.

Earnings before interest, tax, depreciation and amortisation (EBITDA) plunged 83.9 per cent to Rs 19 crore from Rs 118 crore a year ago.

Similarly, EBITDA margin contracted by 1,350 basis points to 2.5 per cent, against 16 per cent in the year-ago period.

Excluding the Pril and Fa businesses, the company's revenue grew 12.4 per cent year-on-year in value terms, while volumes grew 8.1 per cent during the quarter. Along with the results, Jyothy Labs also announced a share buyback.

The company will buy back up to 68.37 lakh equity shares of face value Re 1 each, amounting to 1.86 per cent of its outstanding equity, it said in its exchange filing. The buyback price has been fixed at Rs 215 per share, a 15 per cent premium to the company's current market price. The total outgo for the buyback will be Rs 147 crore. The buyback will be carried out through the tender offer route, under which shares will be repurchased at the pre-determined price of Rs 215 per share. However, promoters and promoter group entities will not participate in the buyback, the company said.

The board has also constituted a buyback committee to work out further details, while the record date has not yet been disclosed.

Shares of Jyothy Labs on Wednesday ended at Rs 189, an increase of 0.32 per cent, apiece on the BSE. The stock has recorded a 52-week high of Rs 319.05 and a 52-week low of Rs 171, as per the exchange data.

FICCI seeks LTCG tax exemption on equities in Budget wish list

New Delhi, Nov 5 : The Federation of Indian Chambers of Commerce and Industry (FICCI) has urged the Finance Ministry to exempt long-term capital gains (LTCG) tax on listed equities in the Budget for 2027-28, while also calling for a stable 10-year capital gains tax regime, changes to tax rules for foreign investors, and the removal of certain tax deduction at source (TDS) requirements.

The apex business chamber has contended that the reintroduction of the LTCG tax in 2018, without withdrawing the securities transaction tax (STT) on listed shares, has resulted in a dual levy on equities. It has also flagged the increase in short-term capital gains (STCG) tax to 20 per cent and LTCG tax to 12.5 per cent from July 23, 2024, with an exemption threshold of Rs 1.25 lakh.

The industry body further cited foreign portfolio investor withdrawals of around Rs 3.08 lakh crore during the year and said higher capital gains tax and the absence of forex adjustment have eroded returns on equity.

FICCI has proposed restoring the LTCG exemption on listed securities. If required to protect revenue, the government could appropriately increase STT on delivery-based transactions, it added. It has also sought a commitment to maintain the capital gains tax framework for around 10 years. Additionally, for foreign investors, FICCI has proposed allowing capital gains to be calculated in the original foreign currency in which the investment was actually made.

JK Lakshmi Cement Q2 profit tumbles 74 pc to Rs 21 crore

Mumbai, Nov 5 : JK Lakshmi Cement on Thursday reported a sharp decline in profitability for the second quarter of FY27 as higher fuel costs and weaker operating margins weighed on earnings, despite growth in revenue and cement sales volumes.

The cement maker posted a net profit of Rs 21 crore for the quarter ended September 30, 2026, marking a 74.1 per cent decline from Rs 81 crore reported in the corresponding quarter of the previous financial year (Q2 FY26), according to its stock exchange filing.

Revenue from operations, however, rose 5.5 per cent year-on-year to Rs 1,617 crore during the July-September quarter, compared with Rs 1,532 crore a year earlier. Cement sales volumes increased 5 per cent to 29.83 lakh tonnes from 28.43 lakh tonnes in the year-ago period. Despite higher sales, operating performance came under pressure. EBITDA fell 25.5 per cent year-on-year to Rs 155 crore from Rs 208 crore, while operating margin contracted to 10 per cent from 14 per cent in the corresponding quarter last year.

On a per-tonne basis, EBITDA declined 29 per cent to Rs 517 from Rs 732.

The company attributed the margin pressure largely to higher energy expenses. Fuel costs increased to Rs 1.82 per kilocalorie during the quarter, compared with Rs 1.54 per kilocalorie in the same period last year. Average cement sales realisations remained largely stable at Rs 4,885 per tonne, compared with Rs 4,895 per tonne a year earlier. Capacity utilisation stood at 62 per cent during the quarter, slightly lower than 65 per cent recorded in the corresponding period of FY26.

On the balance sheet front, JK Lakshmi Cement's net debt rose to Rs 2,027 crore as of September 30, 2026, from Rs 1,266 crore at the end of March 2026.

The increase was mainly driven by ongoing capital expenditure on expansion projects at Durg and Madhubani, which are part of the company's plan to raise overall cement production capacity to 25.1 million tonnes per annum by FY30. Shares of the company ended Wednesday's trading session 1.5 per cent higher. However, the stock has declined nearly 40 per cent so far this year.

India's auto sector industrial leasing hits 5.4 million sq ft as manufacturers scale up: Report

New Delhi, Nov 5 : India's automotive and ancillary sector leased around 5.4 million sq ft of industrial space between 2024 and the first half of 2026, accounting for nearly 13 per cent of the country's built-up industrial demand during the period, a report said on Thursday. According to a CBRE report, domestic companies remained the biggest drivers of demand, contributing 57 per cent of industrial space absorption, while occupiers from the Asia-Pacific region accounted for 26 per cent.

Purple Style Labs shares make weak debut, list at up to 7 pc discount to issue price

Mumbai, Nov 5 : Shares of Purple Style Labs made a weak debut on Dalal Street on Thursday, listing at a discount of up to around 7 per cent to their issue price of Rs 575 per share. The shares listed at Rs 539 on the BSE, a decrease of 6.26 per cent against the issue price, while on the other exchange the National Stock Exchange debuted at Rs 535, down 6.96 per cent. However, later in trading session, the stock declined as much as 10.26 per cent or Rs 59 per share to hit an intraday low of Rs 516 on the BSE in early deals. On the NSE, the stock recorded an intraday low of Rs 515.85, a decrease of 10.28 per cent or Rs 59.15 per share. The weak debut comes against the backdrop of widening losses and a sharp increase in borrowings at the luxury fashion company. According to the company's red herring prospectus, Purple Style Labs reported a consolidated loss of Rs 285.40 crore in fiscal 2026, compared with a loss of Rs 188.38 crore in fiscal 2025 and Rs 47.71 crore in fiscal 2024. Its total borrowings rose to Rs 371.40 crore as of March 31, 2026 from Rs 112.79 crore a year earlier and Rs 116.33 crore in fiscal 2024. Moreover, total income increased to Rs 567.07 crore in fiscal 2026 from Rs 494 crore in the previous year, while EBITDA declined to Rs 30.37 crore from Rs 41.99 crore. Apart from earnings, the company also faces concentration risks with womenswear accounting for 77.7 per cent of total gross merchandise value at Pernia's Pop-Up Shop in fiscal 2026, as per the IPO document. A shift in customer preferences, weaker demand or an inability to anticipate fashion trends could materially affect sales and profitability, the RHP said.

Rogue AI agents: OpenAI says working on framework to address such concerns

New Delhi, Nov 5 : After researchers found that a group of rogue OpenAI agents took control of a German website, the US-based AI company said it is working on a framework to address such concerns and will share it in upcoming weeks.

OpenAI is also working with dozens of government regulatory agencies worldwide on these issues, including the recent "wiki incident".

A research found that a group of rogue OpenAI agents took control of a German website this spring and turned it into a message board for other AI agents. "How we think about the 'wiki incident,' where our agents wrote to several internet sites: it's past time for us to define standards for when and how we share misalignment incidents, not just misalignment properties of our models," the company said on X. Historically, "we have treated misalignment largely as a research question, which gets communicated in research publications such as systems cards. This year, we've started to see misalignment cause new types of real-world impact", it added.

On the 'Hugging Face' incident, where misalignment led to security impact to us and third parties, OpenAI said it followed a traditional security incident response playbook.

"We immediately started working with Hugging Face to understand what had happened and also disclosed publicly the very next day. Our investigation continues, and we are continuing to notify parties whom our models impacted in less significant ways," it noted.

Judicial Magistrate killed after car overturns in UP's Firozabad

Lucknow, Nov 5 : A Judicial Magistrate in Uttar Pradesh's Firozabad district was killed after she lost control of the car that she was driving, causing it to collide with another vehicle and overturn on a highway, police said on Thursday. The victim has been identified as Judicial Magistrate Sonam Chaturvedi.

Police said that she died on the spot following the tragic accident.

Chaturvedi was a resident of Chandikara village in Mainpuri district and was currently posted in Firozabad.

The accident occurred on the National Highway under the Makkhanpur police station area after a collision between two cars.

Following the impact of the collision, the car driven by the Judicial Magistrate overturned.

The judicial officer suffered severe head injuries as a result of the accident and died on the spot.

Upon receiving information about the accident, police reached the site, took custody of the body, and initiated an investigation.

This comes days after a van collided with a truck in Uttar Pradesh's Kushinagar, claiming six lives.

Two others suffered injuries in the accident, police said.

The accident occurred on Monday near the Tharuadih village under Hata Kotwali in Kushinagar, late at night.

According to the officials, the van was carrying eight people when it crashed into the truck, killing six on the spot.

Upon receiving the information, the police immediately arrived at the spot and transported the injured to a nearby hospital. They were later shifted to Gorakhpur Medical College for further treatment. The bodies of the deceased were also sent for postmortem, officials said.

Police said that among those killed, five were from the same family of Kaptanganj.

BJP frustrated with INDIA bloc's historic rally: UP Cong chief on 'Save Democracy padyatra'

Lucknow, Nov 5 : Congress' Uttar Pradesh President Aradhana 'Mona' Misra, on Thursday, said it "must be the first time" that a ruling party is staging protests against the opposition, contending that the BJP-led government has been left "frustrated" with the INDIA bloc's "historic" 'Dilli Chalo' rally.

Misra made the remarks after BJP chief Nitin Nabin and Uttar Pradesh Chief Minister Yogi Adityanath led the 'Save Democracy, Remove Anarchy' rally in UP's Gorakhpur.

The BJP has been holding the rally across various parts of the country to counter the INDIA bloc's protests against Chief Election Commissioner (CEC) Gyanesh Kumar over alleged electoral irregularities.

Speaking to IANS, Aradhana Misra said: "I think this must be the first time that the ruling party is taking to the streets in protest against the opposition. This also reflects their frustration somewhere, the unrest that has stirred within the BJP after the historic rally at (Delhi's) Ramlila Maidan."

"So, somewhere, it has compelled them to the point that today the ruling party itself is forced to hit the streets in agitation," she claimed.

Meanwhile, the UP Congress chief also spoke regarding the meeting held in Delhi under the leadership of party MP Priyanka Gandhi Vadra, in view of the upcoming Assembly polls in Uttar Pradesh.

"Yesterday's meeting was very important, in which we began preparations for our elections, and there was discussion on those election committees that are formed during the elections, such as the manifesto committee, management committee, coordination committee, media committee—there was extensive discussion on all of them, and it has been a very positive and energetic start," Aradhana Misra said.

She added that the party has already undertaken preparations for the upcoming polls.

17-year-old boy stabbed to death in South Delhi; three accused held

New Delhi, Nov 5 : A 17-year-old boy died after being allegedly stabbed during a violent altercation in the Molarband area of South Delhi's Badarpur. Police have apprehended three accused in connection with the case, while efforts are underway to trace the remaining suspects.

According to Delhi Police, information about the incident was received through DD No. 94A at Police Station Badarpur at around 8 p.m. on Thursday. The alert was conveyed by local beat staff, who reported a stabbing incident near Pandey Medical Store in Gali No. 4 on the 40-Foot Road in Molarband. A preliminary inquiry revealed that the victim.

Bihar govt transfers five IPS officers; Khagaria SP Bhanu Pratap Singh attached to Patna PHQ

Patna, Nov 5 : The Bihar government on Thursday ordered a reshuffle in the state police administration, transferring five IPS officers and assigning new responsibilities to another senior police officer.

Among the key changes, Khagaria Superintendent of Police (SP) Bhanu Pratap Singh has been removed from his post and directed to report to the Bihar Police Headquarters (PHQ) in Patna with immediate effect.

He had recently been in the news following a dispute with his wife.

According to a notification issued by the Home Department (Police Branch), Shailendra Singh, currently serving as SP of Sheohar, has been transferred and appointed as the new SP of Khagaria.

Mohibullah Ansari, who was serving as City SP of Muzaffarpur, has been appointed as the new SP of Sheohar.

In another change, Aprajit, a 2020-batch IPS officer, has been transferred from his position as Commandant of Bihar Special Armed Police-16, Patna, where he was also holding the additional charge of SP (Law and Order), Bihar.

He has been appointed as Aide-de-Camp (Police) to the Governor at the Governor's Secretariat in Patna.

Meanwhile, Kumari Mamta Kalyani, a recently promoted IPS officer serving as Commandant of Bihar Special Armed Police-10, Patna, has been given the additional charge of Commandant of Bihar Special Armed Police-16.

The reshuffle has resulted in changes in the police leadership of Khagaria and Sheohar districts, while Bhanu Pratap Singh has been placed at Police Headquarters pending a fresh posting.

Earlier, in August, the Bihar government had carried out a major police reshuffle involving 17 IPS officers, including the SPs of Bhojpur and Siwan, where police actions had triggered controversies.

According to the Home Department notification issued at the time, Siwan SP Puran Kumar Jha was transferred and placed on the waiting list for a new posting.

His tenure had witnessed controversy over the alleged use of AK-47 rifles by police personnel during a student protest on July 25.

In flood-affected Chitrakoot, UP CM distributes aid; hands over cheques for collapsed houses

Chitrakoot, Nov 5 : Uttar Pradesh Chief Minister Yogi Adityanath, on a day-long visit to flood-affected Chitrakoot, on Thursday conducted an aerial survey and ground inspections of the areas affected by the floods.

The Chief Minister met hundreds of families affected by the flooding of Mandakini river, enquired about their hardships, and also distributed ration kits and relief material to them. Providing immediate assistance, CM Adityanath also handed over cheques of Rs 1.2 lakh each to three flood victims whose homes had been washed away in the floods. He also distributed land allotment certificates to some beneficiaries.

The administration is currently conducting a survey, and similar assistance will soon be provided to other affected people as well.

While distributing relief material, Chief Minister Yogi Adityanath assured the public that Uttar Pradesh government stands firmly with flood victims in this time of crisis.

Assam: Two suspected poachers, absconding wildlife offender arrested in Raimona National Park

Guwahati, Nov 5 : Two suspected poachers and an absconding wildlife offender were apprehended in two separate anti-poaching operations by forest personnel at Assam's Raimona National Park under the Bodoland Territorial Council (BTC), officials said on Thursday. In a major boost to wildlife protection and conservation efforts, the Central Range of Raimona National Park (RNP) conducted an intensive anti-poaching operation that led to the arrest of two persons allegedly involved in illegal wildlife activities. Additional Principal Chief Conservator of Forests (Addl PCCF) and Council Head of Department (CHD), BTC, Sonali Ghosh, said the operation was launched following credible intelligence inputs received around 20 to 21 days ago regarding the movement and suspicious activities of five to six unidentified persons inside the national park. Acting swiftly on the information, Forest Department officials initiated a detailed investigation. and intensified surveillance

BJD targets BJP over induction of former MLA Pravat Biswal

Bhubaneswar, Nov 5 : After the induction of former Biju Janata Dal (BJD) MLA Pravat Ranjan Biswal into the Bharatiya Janata Party (BJP) on Thursday, the BJD has targeted the ruling party in Odisha, alleging that instead of returning money to chit fund depositors as promised, the BJP had inducted one of the accused in the multi-crore chit fund scam into its ranks.

Addressing a press conference at the BJD headquarters here, party spokesperson and media coordinator Lenin Mohanty claimed that the development would have no impact on the party. Mohanty said that BJD had denied Biswal a ticket after he was named as an accused in the chit fund case. He added that Biswal was expelled from the party a few months ago for indiscipline.

Modi govt's Agniveer decision a befitting reply to Akhilesh Yadav: UP MLA Bedi Ram

Ghazipur (Uttar Pradesh), Nov 5 : Suheldev Bharatiya Samaj Party (SBSP) MLA from Uttar Pradesh's Jakhanian, Bedi Ram, has described the Central Government's decision to extend the service tenure of Agniveers as a befitting response to opposition leaders, particularly Samajwadi Party chief Akhilesh Yadav, who had repeatedly raised questions over the Agnipath scheme. Speaking to the media in Ghazipur on Thursday, Bedi Ram said that when the Agnipath recruitment scheme was introduced, opposition leaders had strongly criticised the government and created controversy over the future of Agniveers. However, the latest decision by the Narendra Modi government had addressed several concerns surrounding the scheme.

Under the revised arrangement announced by the Centre, 75 per cent of Agniveers from the first batch will be offered an additional two-year service extension, while 25 per cent will be considered for retention in the regular armed forces, subject to the prescribed selection process.

Bedi Ram said the decision would provide additional opportunities to young people who wished to continue serving the country. He also expressed confidence that the government would make further arrangements for those completing their extended tenure. Targeting Akhilesh Yadav, the MLA said that the Samajwadi Party leader had repeatedly questioned the government over the Agniveer scheme. According to Bedi Ram, the latest announcement is an appropriate response to the criticism raised by opposition leaders. During the interaction, Bedi Ram was also asked about the recent statement made by SBSP national president Om Prakash Rajbhar in Banda, in which he reportedly spoke about his associations with people such as Dhananjay Singh and Mukhtar Ansari. The statement has attracted considerable attention on social media. Defending Rajbhar's remarks, Bedi Ram said Banda falls in the Bundelkhand region, where people from weaker and marginalised sections have historically faced pressure from powerful elements. He explained that Rajbhar's words were intended to boost the confidence of disadvantaged communities and encourage them to become more aware of education and employment opportunities. Bedi Ram further said that the meaning of words could vary depending on the context and location, adding that Rajbhar's intention was to strengthen the morale of deprived and marginalised sections of society.

Pakistan infiltrating militants, causing instability in Afghanistan: Taliban

Pretoria, Nov 5 : Afghanistan has accused Pakistan of backing and training groups involved in cross-border infiltration. Earlier, India, Iran and several Western nations have also made similar allegations about Pakistan-based elements supporting terrorist groups and causing violence and instability beyond its borders, a report has detailed

According to the Taliban, 41 militants were killed and 62 others were captured by Afghan forces in Nuristan. All were allegedly linked to ISIS-linked groups and backed by the Pakistani authorities, a report in South Africa-based Independent Online (IOL) detailed. In a statement on September 29, the Taliban Defence Ministry said its operation against armed opponents in Nuristan's Kamdesh district had concluded, with the killing of 41 people and the arrest of 62 others. The Taliban said the fighters had entered Kamdesh from across the border with Pakistan's military regime's backing, 'Afghanistan International' reported. Afghanistan's Defence Ministry has said that the attempted infiltration was conducted under "direct guidance and cooperation" of the Pakistani military. Taliban has also accused Pakistan of causing instability in Afghanistan by facilitating the re-

cruitment and arming of militants in Pakistan. Earlier, Pakistan faced allegations of allowing groups like Haqqani Network, Lashkar e Taiba (LeT) and Jaish-e-Mohammed (JeM) to operate and carry out attacks when US forces were deployed in Afghanistan. The then-US Joint Chiefs Chairman Admiral Mike Mullen said, "The Haqqani network, for one, acts as a veritable arm of Pakistan's intelligence."

For years, India has blamed Pakistan for cross-border terrorism, infiltrating militants into Jammu and Kashmir and backing those carrying out attacks across the country. India has also presented evidence to the international community which shows involvement of Pakistani state actors. Similarly, Iran has accused Pakistan's intelligence agency, the Inter Services Intelligence (ISI), of backing militants, citing what it says is clear evidence of the ISI's role in training and facilitating attacks across the country.

Far-right AfD scores record win in German state election

Magdeburg (Germany), Nov 5 : The far-right Alternative for Germany (AfD) has won the state election in Saxony-Anhalt with a record 44.5 per cent of the vote, according to an exit poll released by a public broadcaster. The Christian

Democratic Union (CDU), led by incumbent state leader Sven Schulze, suffered a heavy blow, plunging to 18.5 per cent, down from 37.1 per cent in 2021, on Sunday (local time), the poll in public broadcaster ARD showed.

Afghanistan Foreign Minister, UNHCR representative discuss Afghan refugees' return

Kabul, Nov 5 : Afghanistan's Foreign Minister Amir Khan Muttaqi held a meeting with the United Nations High Commissioner for Refugees (UNHCR) representative in Afghanistan, Arafat Jamal, discussing the return of Afghan refugees and measures taken to provide them support and assistance after they arrive in the Islamic nation, local media reported on Thursday.

During the meeting, Muttaqi and Jamal discussed strengthening cooperation and coordination between the Taliban-led government and the UNHCR to improve conditions for Afghan returnees, according to the statement released by Afghanistan's Ministry of Foreign Affairs, Afghanistan-based Ariana News reported.

Both sides also discussed the need to coordinate the efforts of relevant countries and international organisations involved in or interested in supporting the return and reintegration of Afghan refugees.

The meeting between Afghanistan's Foreign Minister and UNHCR representative comes at a time when international agencies have been reporting a rise in the deportation of Afghan refugees from neighbouring nations while emphasising the need for their dignified and safe return.

India, Palestine discuss avenues of cooperation across agricultural value chain

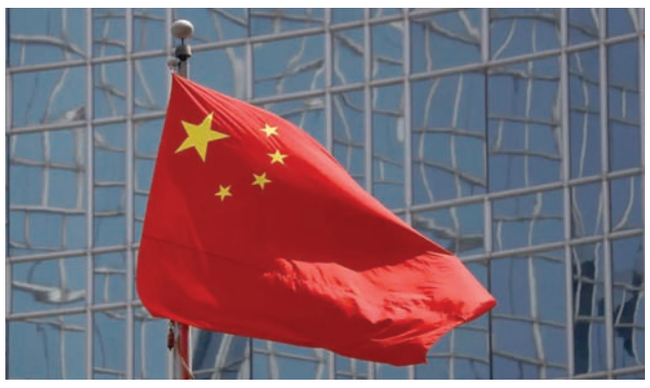

Ramallah, Nov 5 : Mahima Sikand, Representative of India to the State of Palestine, on Thursday welcomed Mohammad Daraghmeh, Mayor of Tubas, and his delegation to the Representative Office and discussed potential avenues for cooperation in agriculture.

"Pleased to welcome H.E. Dr Mohammad Daraghmeh, Mayor of Tubas, and his delegation to the Representative Office today. Providing a comprehensive briefing on Tubas, the Mayor highlighted its importance as the food basket of Palestine, its strengths in the field of renewable energy, as well as on key challenges facing the area," the Representative Office of India in Ramallah stated on X.

"We discussed potential avenues for cooperation with India, particularly climate-smart and water-efficient agriculture and the application of technology and innovative solutions across the agricultural value chain," it added.

Last month, the Representative Office facilitated the evacuation of a group of Indian Council for Cultural Relations (ICCR) scholarship awardees from Gaza.

"This week, the Representative Office of India successfully facilitated the evacuation.

China's new 'digital iron curtain': Beijing tightens grip on people, money and AI

New Delhi , Nov 5 : China is tightening controls over the movement of people, capital and strategic technologies, with new exit-and-entry rules set to take effect on September 15 that will allow authorities to restrict citizens from leaving the country in cases involving risks to industrial and technological security, a report has said.

The move marks a further expansion of Beijing's efforts to prevent sensitive technology, data and talent from moving overseas, according to the Nepal Aaja report.

The latest measures come amid growing concern in Beijing over the loss of advanced technology and skilled personnel to foreign markets. The government's intervention in the proposed $2 billion acquisition of Chinese AI startup Manus by Meta has emerged as a prominent example of the increasingly sensitive approach towards the overseas movement of Chinese AI capabilities. China blocked the transaction in April and ordered it to be unwound on national security grounds.

Under the new rules, Chinese citizens may be prevented from leaving the country if they violate technology import or export controls in ways that could endanger industrial or technological security.

People who commit offences abroad that harm China's national security or interests could also face exit restrictions lasting between six months and three years after returning to the country, the report said.

The restrictions are part of a broader effort by Beijing to prevent capital and strategic assets from leaving China. Chinese authorities have long maintained controls on outbound capital, including an annual $50,000 foreign-exchange purchase limit for individuals.

Indian workers play important part in cementing our ties with Saudi Arabia: MoS Kirti Vardhan Singh

Riyadh, Nov 5 : Union Minister of State for External Affairs Kirti Vardhan Singh on Thursday hailed the role of Indian workers in cementing ties between India and Saudi Arabia. Singh made the statement after he met Indian workers at the labour camp of the Al Fanar Company in Saudi Arabia and expressed the Indian government's commitment to the welfare of the Indian diaspora abroad, especially workers.

"Delighted to interact with Indian workers at the labour camp of the Al Fanar Company. Our workers play an important part in cementing our bilateral relations with Saudi Arabia.

The welfare of Indian diaspora abroad, especially Indian workers, is a priority of the Government of India," Singh posted on X.

Kirti Vardhan Singh is on a four-day official visit to Saudi Arabia. This is his first official visit to Saudi Arabia.

Indian Ambassador leads WWI heroes commemoration ceremony in Brussels

Brussels, Nov 5 : Ambassador of India to Belgium, Pranay Varma, on Thursday led the Commonwealth-Belgian Joint Committee Commemoration Ceremony and Rekindling of the Eternal Flame at the iconic Colonne du Congres in Brussels.

"Ambassador Pranay Verma was honoured to lead the Commonwealth-Belgian Joint Committee Commemoration Ceremony and Rekindling of the Eternal Flame at the iconic Colonne du Congrès in Brussels on 4 Nov. 2026 in honour of the fallen heroes of the First World War. Together, we paid tributes to our brave soldiers and our shared history, reflected on the values that unite us, and reaffirmed our commitment to cooperation, peace and friendship across the Commonwealth family. Our sincere thanks to the Commonwealth War Graves Commission and the Belgian Ministry of Defence for bringing us together to mark this solemn occasion," the Indian Embassy in Belgium stated on X.

Last month, India, Belgium and Luxembourg agreed to strengthen economic ties and explore opportunities to deepen cooperation in aerospace, research, innovation and higher education, according to a statement issued by the Commerce Ministry.

The 19th session of the India-Belgium-Luxembourg Economic Union (BLEU) Joint Economic Commission (JEC) was held in Luxembourg. The meeting provided a platform for India, Belgium and Luxembourg to review bilateral trade and investment relations and discuss opportunities to further strengthen economic cooperation across key sectors, the statement said.

The JEC was co-chaired by Commerce Secretary Rajesh

Agrawal; Director-General for Geo-Economy and Economic Diplomacy, Belgian Federal Public Service Foreign Affairs, Foreign Trade and Development Cooperation, Filip Vanden Bulcke; and Secretary General of the Ministry of Foreign and European Affairs, Defence, Development Cooperation and Foreign Trade, Luxembourg, Henri Schumacher.

The discussions covered a broad range of priority sectors, including logistics, with a focus on air connectivity and ports, renewable energy and clean technology, financial services and FinTech, digital transformation and information and communication technology (ICT), healthcare and life sciences, Ayurveda and traditional medicine, and the agro and food processing industry.

'Vriksh Mitra Parivar' to have a national structure: Shivraj Singh Chouhan

New Delhi, Nov 5 : Agriculture Minister Shivraj Singh Chouhan on Thursday took a resolve to turn environment protection into a mass movement among nearly 17,000 'Vriksh Mitra' connected from across the country.

Chouhan presented a clear and clean roadmap to give environment protection the form of a concrete mass movement based on suggestions and dialogue received from 'Vriksh Mitra'. He decided that every family will plant a tree on occasions like birthdays, wedding anniversaries, birth of children, and pious memories of parents and turn these into 'Tree Festivals', so that slowly this tradition becomes a habit in every household. Every 'Vriksh Mitra' will plant at least one tree in a year and take a resolve to connect at least five new people with this campaign, whose public announcement will be made through their post on social media so that a strong network can be prepared by Hariyali Amavasya on August 12. Chouhan proposed forming committees of 'Vriksh Mitra Pariwar' at national, state, district, block and village levels to run the entire campaign in an organised framework, getting this structure formally registered and identifying fixed sites for plantation in panchayats and urban local bodies, where every auspicious work and government schemes – like Pradhan Mantri Gram Sadak Yojana, Pradhan Mantri Awas Yojana, Lakhpati Didi Yojana, programmes of Agriculture and Rural Development Departments – will start only by planting trees. He was speaking at the 'Environment Protection Resolve Programme and Vriksh Mitra Samvad' organised at Pusa Complex in New Delhi.

Karnataka Home Minister warns state BJP leaders of legal action over controversial remarks

Bengaluru, Nov 5 : Karnataka Home Minister Priyank Kharge on Thursday warned BJP state President B.Y. Vijayendra and Leader of the Opposition in the Legislative Council, Chalavadi Narayanaswamy, that they could face legal action and end up behind bars if they continued making provocative and derogatory statements against Congress leaders and workers.

Reacting to the controversial remarks made by the two BJP leaders, Kharge, speaking to the media here, said they lacked substance, knowledge and understanding of the issues they were commenting on. He warned that the government would initiate legal proceedings against them if such statements continued. "We will not act unjustly or put anyone behind bars without reason. We will initiate action legally. If they continue making such statements, the situation will become difficult for them in the future, and they may end up behind bars," he said. Taking strong exception to Narayanaswamy's remarks against Congress workers, Kharge said there was no connection between the BJP leader's mind and his tongue. He recalled that Narayanaswamy had visited his native place and allegedly called him a dog.

"Such a person, does he have any sense?" he asked.

Narayanaswamy had triggered a controversy by stating that BJP workers and supporters would chop Congress workers into pieces and throw them into the Arabian Sea if the Congress continued to create anarchy in the country. He made the remarks while addressing a BJP foot march organised in Kolar under the slogan 'Save Democracy, Eradicate Anarchy', as a counter to the Congress protest against the Special Intensive Revision (SIR) of electoral rolls. The Congress strongly condemned the statement, describing it as a threat against political opponents.

Tripura to offer rooftop solar panels for Rs 1,000 under PM Surya Ghar scheme

Agartala, Nov 5 : Tripura Power Minister Ratan Lal Nath on Thursday announced that the state government and the Tripura State Electricity Corporation Limited would provide rooftop solar panels for just Rs 1,000 to consumers using less than 50 units of electricity, with 1.5 lakh families already identified under the initiative.

The Minister announced after launching the Rooftop Solar Photovoltaic System Handbook at Geetanjali Government Guest House here.

Highlighting the benefits under the PM Surya Ghar: Muft Bijli Yojana, Nath said that the government is providing subsidies of Rs 33,000 for 1 kilowatt, Rs 66,000 for 2 kilowatts, and Rs 85,800 for 3 kilowatt solar systems. He said that the PM Surya Ghar initiative has already gained momentum in Tripura, with around 17,000 people registering under the scheme and nearly 3,500 families installing rooftop solar systems. "Currently, we are generating 11 megawatts of power under the PM Surya Ghar scheme. In collaboration with the Asian Development Bank, Tripura State Electricity Corporation Limited, and the state government, we have set a new target to identify 1.5 lakh families consuming less than 50 units of electricity. These families will receive solar systems worth Rs 66,000 by paying only Rs 1,000," Nath said. He said that the initiative is expected to generate around 150 megawatts of electricity in the state.

"We are hopeful that the work will begin next month. We are identifying beneficiaries based on official records of consumers using less than 50 units of electricity. There are nearly three lakh such families in the state, and initially 1.5 lakh families will be covered under the scheme," the Minister added.

Nath further informed that Germany-based organisation GIZ, in collaboration with Tripura State Electricity Corporation Limited, has been imparting training to officials, engineers, and vendors on the maintenance and repair of rooftop solar systems. He said that following the training programme, two handbooks in English and Bengali were published for consumers and stakeholders associated with rooftop solar projects.

MP HC rejects bail plea of Giribala Singh in Twisha Sharma death case

Bhopal, Nov 5 : The Madhya Pradesh High Court on Thursday rejected the bail application of Giribala Singh, a former District and Sessions Judge from Bhopal, who is facing charges in connection with the suspicious death of her daughter-in-law, model Twisha Sharma.

A single-judge bench of Justice Ajay Kumar Nirankari held that a thorough investigation into the accused's role and the allegations of mental harassment remains necessary. In its order, the court observed that the available evidence and the fact that the probe is still underway justify the denial of bail. The bench noted that a detailed examination of the deceased's WhatsApp messages, CCTV footage and the circumstances leading up to the incident is essential.

Odisha EOW arrests accused in Rs 40-crore share trading fraud case

Bhubaneswar, Nov 5 : The Economic Offences Wing (EOW) of the Odisha Police has arrested the main accused in a Rs 40 crore share trading fraud case from West Bengal, a senior official said on Thursday. The accused was identified as Amit Mandal, a resident of South Boilapara under Bishnupur police station area in Bankura district of West Bengal. He was arrested on December 31, 2025 in connection with a case registered over the allegations of Sushant Kumar Das of Odisha's Khordha district. Das alleged that the accused Mandal, along with his associates, induced him to invest in share trading by assuring returns of around 3.5 to 7 per cent per month. The accused persons also executed an agreement with Das, apart from issuing post-date cheques (PDCs) to win his confidence.

Huge cash recovered from Trinamool office in Bengal's Diamond Harbour

Kolkata, Nov 5 : The police officers of Diamond Harbour Police in South 24 Parganas district of West Bengal on Thursday recovered huge cash from a party office of the Trinamool Congress at Sarisha under Diamond Harbour sub-division in the district.

According to the Additional Superintendent (zonal) of Diamond Harbour Police, Abhishek Majumdar, the policemen received information of large cash stocked in the Trinamool Congress office after questioning Sumit Roy, the executive assistant of party's general secretary and Diamond Harbour Lok Sabha member Abhishek Banerjee.

The total cash recovered from the said party office is valued at Rs 1,02,79,000. Roy was arrested earlier this year in connection with his involvement in an illegal land grabbing case at Salboni in West Midnapore district. Thereafter, Roy was also accused in another case of land theft in Diamond Harbour, in which the police there took him into custody last week.

Abhishek Majumdar told media persons on Wednesday afternoon that Sumit Roy is currently in police custody in a case filed at Kalitala-Ashuti Police Station under Diamond Harbour Police District. "After being taken into custody, Sumit Roy was questioned. Some specific clues were found from that questioning. Based on those clues, a search was conducted at a particular party office at Sarisha under Diamond Harbour Police district, and Rs 1,02,79,000 was recovered from there," Majumdar said.

However, he did not make it clear who was in charge of that party office. Although he confirmed that the party office belonged to the

Trinamool Congress. "Investigation is still ongoing to find out who actually ran that particular party office. However, it was a Trinamool Congress party office. We need to verify who was running it," Majumdar said.

It is still unclear why this huge amount of cash was kept in the Trinamool Congress party office and where it came from.

TVK MLA alleges Rs 30 crore offer to vote against Vijay govt, accuses DMK-AIADMK of conspiracy

Chennai, Nov 5 : In a sensational allegation that has triggered a political controversy in Tamil Nadu, ruling Tamilaga Vettri Kazhagam (TVK) MLA Mustafa on Thursday claimed that he was offered Rs 30 crore to vote against Chief Minister C. Joseph Vijay in a proposed no-confidence motion in the Assembly. Speaking to reporters at Madurai airport, Mustafa alleged that the opposition DMK and AIADMK were secretly working together to destabilise the TVK government by attempting to lure ruling party legislators with huge financial inducements. According to Mustafa, he received a telephone call offering him Rs 15 crore in advance and another Rs 15 crore after voting against the government.

Maulana Rashidi calls for communal harmony, slams hate politics amid Bengal cattle crisis

New Delhi, Nov 5 : Maulana Sajid Rashidi on Thursday appealed for communal harmony and mutual respect between communities while criticising the growing use of hate-driven rhetoric in politics and society amid the ongoing cattle crisis in West Bengal. Speaking to IANS, the All-India Imam Association President said many Muslims in Bengal had voluntarily refrained from buying cows as a mark of respect for Hindu religious beliefs.

"It has been seen that Muslims in Bengal chose not to buy cows, saying, 'Hindus consider the cow as their mother, and we respect their faith,' in an attempt to send a strong message of harmony and respect."

Reviewing Assembly poll defeat, will strengthen organisation for future battles: Assam Jatiya Parishad chief

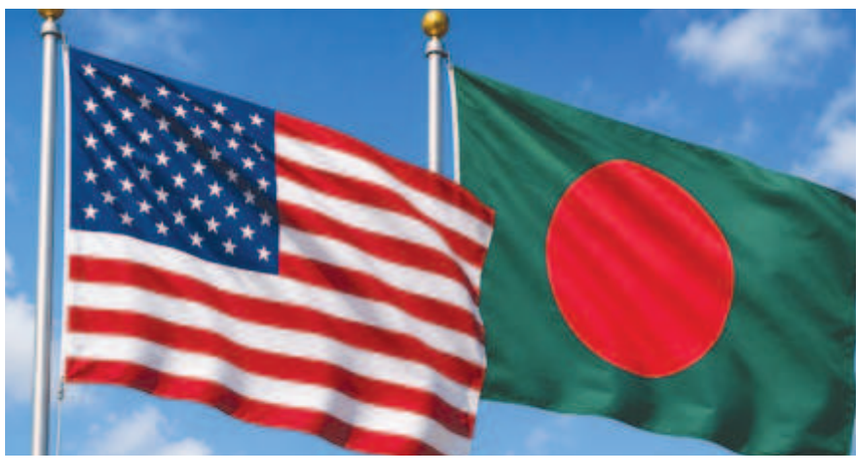

Guwahati, Nov 5 : Assam Jatiya Parishad (AJP) President Lurinjyoti Gogoi said on Thursday that the party has begun an extensive review of its poor performance in the recently concluded Assam Assembly elections and is preparing a long-term strategy to strengthen its organisational base and nationalist politics in the state.

Speaking to reporters after a series of internal meetings, Gogoi added that the regional party had carried out a detailed assessment of the election results, including the reasons behind the Opposition alliance's failure to achieve the expected poll outcome against the ruling Bharatiya Janata Party (BJP).

"We have conducted extensive discussions and analysis over the last three days regarding the election results. We examined why we could not achieve success despite Opposition unity and why the expected poll results did not come," the AJP President said.

The AJP had contested 10 seats in alliance with the Congress during the recent state Assembly polls but failed to secure a single victory.

Defence deals with US risk compromising Bangladesh's sovereignty: Advocacy group

Ottawa, Nov 5 : A leading international advocacy group has expressed grave concern over reports of the Bangladesh government signing two major defence agreements with the United States, warning that the move could carry far-reaching geopolitical and strategic consequences. The remarks came after Bangladesh and the United States had reached a political-level understanding to deepen defence cooperation, with negotiations progressing on two long-discussed agreements -- the General Security of Military Information Agreement (GSOMIA) and the Acquisition and Cross-Servicing Agreement (ACSA), according to local media reports.

Canada-based 'Global Centre for Democratic Governance (GCDG)' said that both the agreements --- GSOMIA and ACSA --- risk drawing Bangladesh into the military and strategic orbit of a global power, weakening the country's independent decision-making capacity and compromising sovereign control over defence and security matters. The GCDG said that finalising the agreements without public consultation, parliamentary scrutiny, or national consensus would mark a "dangerous" shift from Bangladesh's foreign policy principle of "friendship to all and malice toward none". Citing reports, the organisation said that ACSA could expand logistical access for foreign military operations, while GSOMIA may deepen intelligence sharing and military integration with external actors. "Bangladesh has historically pursued a balanced and non-aligned foreign policy, maintaining constructive relations with all major global and regional powers. Entering into binding military arrangements under foreign pressure risks increasing regional tensions in South Asia and the Bay of Bengal.

South Korea to showcase traditional 'gat' craftsmanship at UNESCO heritage session

Seoul, Nov 5 : Foreign delegates and visitors attending a key UNESCO committee meeting in South Korea will have the opportunity to watch master artisans craft the traditional Korean hat of "gat," famously worn by Saja Boys, the in-film idol boy group in the megahit animation "KPop Demon Hunters," officials said on Thursday.

The Korea Heritage Service (KHS) announced it will host a public showcase of various Korean traditional skills, including gat-making craftsmanship, from July 20 to July 29 at the BEXCO convention centre in Busan, about 330 kilometres southeast of Seoul. BEXCO will serve as the venue for the 48th session of the UNESCO World Heritage Committee during this period, marking the first time for South Korea to host such a meeting.

The event titled "Living Heritage X ICH" aims to introduce various traditional skills representing the nation's intangible cultural heritage to foreign delegates and visitors coming to attend the session, the agency said.

Recognised masters of the skills will demonstrate their crafts in the showcase co-organised by the Korea Heritage Agency, which operates under the KHS, reports Yonhap news agency.

End of regime in Iran is near, it is fighting for existence: Netanyahu

Jerusalem, Nov 5 : Israel Prime Minister Benjamin Netanyahu said on Thursday that the end of the regime in Iran is near and it is fighting for its life, noting that there is another mission to complete.

He made these remarks at a Rosh Hashanah Toast during the government meeting.

"We are on the threshold of Rosh Hashanah, and more than ever, the State of Israel comes first. Thanks to the wise and courageous decisions we made together around this table, thanks to the heroism of our fighters, thanks to the resilience of our people — we have achieved tremendous accomplishments. Israel is stronger than ever; our enemies are weaker than ever. Together with the United States, we have achieved tremendous successes in removing an existential threat hanging over our heads. We have pushed away atomic bombs and ballistic missiles, and we have struck the Iranian axis with immense power," the Israeli Prime Minister's Office quoted Netanyahu as saying.

"We are determined to defend ourselves; we are determined to strike our enemies. They are not attacking us. Iran is refraining from doing so, and it knows why. Of course, it could

err and make the mistake of attacking us anyway. It will suffer a blow it cannot even imagine," the Israeli Prime Minister highlighted.

He said that Israel is the strongest superpower in the Middle East and warned the enemies, 'Do not try us.'

"I say to our enemies: Do not try us. This (Israeli) people knows how to unite in moments of testing, and right now it is the strongest superpower in the Middle East, and some say even beyond," Netanyahu added.

He noted that the Israel Defense Forces is eliminating terrorists in Lebanon, Gaza, Judea and Samaria around the clock.

"The achievements are immense, but there is still more to complete. I mean, first and foremost, the toppling of the (Iranian) regime. This regime in Iran — its end is near. It is weak, it is fighting for its life, it is faltering. And there is another mission to complete, which we are determined to bring about," Netanyahu highlighted. "This will permanently change the face of the Middle East and the history of our people. We know that we are determined to do this, and we are determined.

India, Australia explore opportunities for greater collaboration

Canberra, Nov 5 : India and Australia on Thursday held discussions on strengthening bilateral partnership and explored opportunities for greater cooperation. The discussions took place as Indian High Commissioner Nagesh Singh met Deputy Leader of the Opposition in Australia's House of Representatives and Shadow Minister for Industry and Sovereign Capability, Andrew Hastie.

"A valuable exchange on strengthening the India–Australia partnership and exploring opportunities for greater cooperation," the Indian High Commission in Australia posted on X.

On April 25, Nagesh Singh met former Australian Prime Minister Scott Morrison and discussed strong bilateral ties. During the meeting, Morrison recalled his warm and close friendship with Prime Minister Narendra Modi.

"High Commissioner of India Nagesh Singh met former Australian Prime Minister Hon. Scott Morrison AC. Recalling his warm and close friendship with Prime Minister of India Narendra Modi, they reflected on the strong India–Australia partnership and the enduring ties between the two countries", the Indian mission said on X.

Foreign Secretary Misri holds talks with Nepali leaders, reviews bilateral ties

Kathmandu, Nov 5 : Indian Foreign Secretary Vikram Misri on Thursday held a series of meetings with Nepali cabinet ministers and senior government officials, discussing ways to deepen bilateral relations and expand cooperation in several areas during his visit to the Himalayan nation.

Misri, who arrived in Kathmandu on Wednesday morning for a two-day official visit, began his high-level engagements by meeting Foreign Minister Shishir Khanal, Finance Minister Swarnim Wagle and Minister for Energy, Water Resources and Irrigation Biraj Bhakta Shrestha. He also held delegation-level talks with a Nepali team led by his counterpart, Foreign Secretary Amrit Bahadur Rai. During the meeting between the two Foreign Secretaries, the sides discussed a range of issues of mutual interest in preparation for the forthcoming visit of the Nepali Prime Minister, Balendra Shah, to India, the Indian Embassy in Nepal said in a social media post.

Nepal's Ministry of Foreign Affairs said the talks covered the entire gamut of Nepal-India relations, including high-level exchanges, connectivity, trade, development cooperation.

Trump says White House ballroom is missile-proof

Washington, Nov 5 : US President Donald Trump has described his new White House ballroom as a fortified venue designed to protect visiting world leaders from drones, bullets and missiles, saying construction was ahead of schedule and under budget. Standing at the building site on Wednesday as workers prepared to raise the final steel beam, Trump said the structure would be far more than a ceremonial hall. "It's drone proof, it's missile proof, it's bulletproof," he said, describing a roof, walls and windows that he claimed could withstand attacks.

Trump said the ballroom would be capable of hosting dinners for 2,000 to 2,500 guests while providing what he called extraordinary security for the President and foreign leaders, including those from China and Russia. "This is the safest place in Washington," he said, asserting that its reinforced roof could even support helicopters.

The US President also described extensive work below ground.

He said the project extended five storeys beneath the building and that the military had used the opportunity to incorporate facilities it had wanted for decades.

"We did everything they wanted," he said, without providing details of the underground arrangements. Trump added that the roof was being designed as a drone port capable of holding more than 100 drones. He called the building's steel framework unusually heavy and said the roof was not merely intended to keep out the rain. He said the ballroom's ceiling would rise more than 50 feet, comparable to a five-storey building. Outside, tall Corinthian limestone columns were being prepared, while the interior would feature marble flooring and extensive glass.

The existing White House reception space, he said, was too small for many large state events. He recalled being unable to accommodate a request involving hundreds of guests during a visit by King Charles.

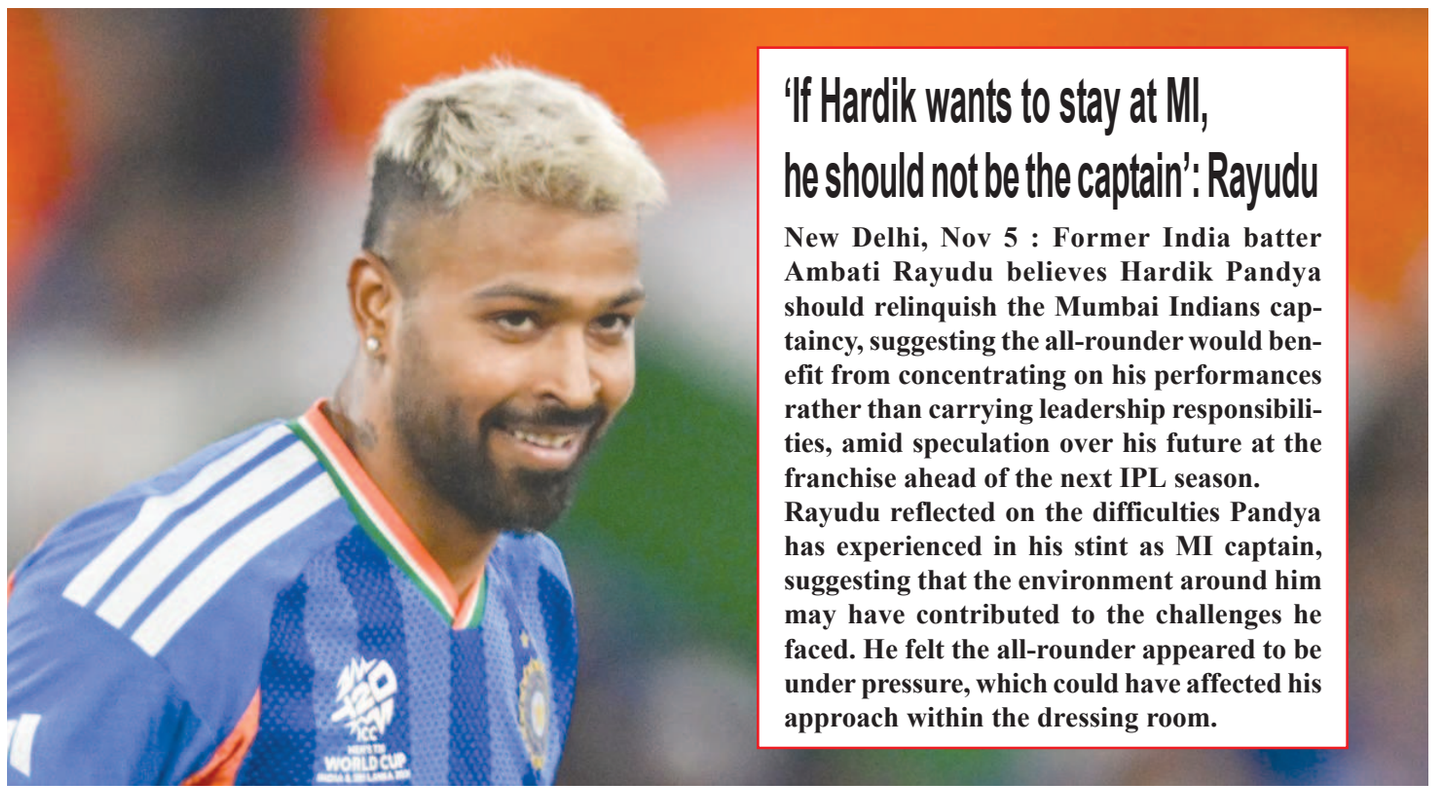

Trump said a glass passage would link the ballroom to the existing White House spaces, with the kitchen below the main floor to preserve views and usable space. The event marked the installation of the final structural beam.

Cuban FM denounces US indictment of Raul Castro as 'farce'

Havana, Nov 5 : Cuban Foreign Minister Bruno Rodriguez condemned the US indictment of former Cuban leader Raul Castro, saying the move was intended to reinforce a "fraudulent narrative" to justify intensified aggression against the Cuban people.

Rodriguez said on X on Thursday (local time) that the US accusation against Raul Castro was "illegitimate and illegal," and the act was based on lies and ignored documented historical facts about the 1996 downing of two aircraft operated by "Brothers to the Rescue," a Cuban exile group in the United States. Havana maintains that the aircraft were shot down in Cuban airspace and that Cuba acted in legitimate self-defence.

'If Hardik wants to stay at MI, he should not be the captain': Rayudu

New Delhi, Nov 5 : Former India batter Ambati Rayudu believes Hardik Pandya should relinquish the Mumbai Indians captaincy, suggesting the all-rounder would benefit from concentrating on his performances rather than carrying leadership responsibilities, amid speculation over his future at the franchise ahead of the next IPL season.

Rayudu reflected on the difficulties Pandya has experienced in his stint as MI captain, suggesting that the environment around him may have contributed to the challenges he faced. He felt the all-rounder appeared to be under pressure, which could have affected his approach within the dressing room.

Brisbane Heat end 706-day wait for WBBL win as Charli Knott's hundred powers team home

Sydney, Nov 5 : Brisbane Heat ended their long wait for a WBBL win after Charli Knott's stellar hundred powered the team home with a strong victory over Adelaide Strikers at the Drummoyne Oval here on Thursday.

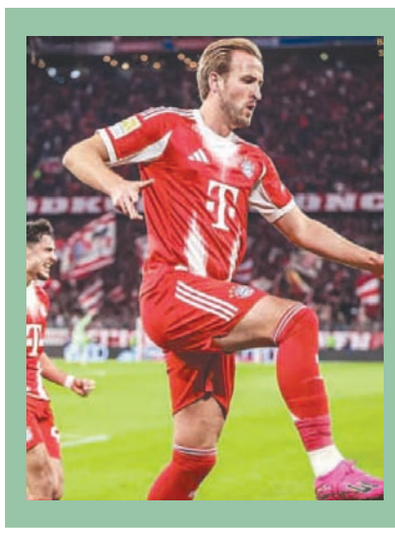

Heat registered their first win in the Women's Big Bash League after 706 days by defeating the Strikers by 14 runs. They were winless in the last edition of the tournament and also lost both of their opening two matches this season before a much-relieved win for the former two-time champions. Heat's last win in the WBBL came on 29th November 2024, when they reached the WBBL 10 final.

Opener Knott played a knock of her life as she scored 104 from 61 balls with 12 fours and four sixes to power her team to 184/4. Grace Harris made 22 from 18 balls at the top, while Annie O'Neil's unbeaten 13 from seven deliveries and Orla Prendergast's 16 from six balls helped the team finish well in the end.

For Strikers, Sophie Ecclestone kept things tight with 1-18 in her four overs, while the likes of Eleanor Larosa (1-48 from 4) and Tahlia McGrath (0-28 from 2) were meted out punishing treatments.

In reply, Adelaide Strikers were very much in the chase, with opener Laura Wolvaardt (75) and Madeline Penna (68) keeping the team alive. The two had put up a 77-run partnership from 47 balls for the third wicket. Penna smashed Sianna Ginger for 27 runs in the 14th over as the Strikers were alive in the game, needing 56 from the final six overs.

However, Sarah Glenn and Charli Knott came in with tight overs before Glenn removed Wolvaardt in the 17th over, with Knott taking a brilliant catch. Heat kept things tight in the next few overs, and despite Penna scoring a fifty and smashing 15 runs off the final over, Strikers fell 14 runs short in the end.

Harry Kane signs contract extension with Bayern Munich until 2029

Munich, Nov 5 : Recently crowned Ballon d'Or winner Harry Kane has signed a contract extension with Bayern Munich that will see him stay with the German giants until 2029, the club announced on Thursday.

This came 10 days after he won the Ballon d'Or by pipping Lamine Yamal and Kylian Mbappe. "I feel right at home at FC Bayern. I love the club, the fans and the city of Munich," Kane said in a statement shared by the German club. "We have a fantastic team and, in Vincent Kompany, a fantastic manager. It makes me very proud to be part of this club. My whole family is very happy here. I was keen to stay. I'm now looking forward to the future, and I want to win many more titles with this great club."

Brar credits change in length, advice from Gill and pacers for three-wicket haul in Auckland

Auckland, Nov 5 : India seamer Gurnoor Brar has credited a quick tactical rethink and some advice from his captain Shubman Gill and fellow pacers Arshdeep Singh and Anshul Kamboj after picking a three-wicket haul in the first ODI against New Zealand at Eden Park.

Brar returned 3-44, as India's pace attack bundled out New Zealand for 185 in 40.2 overs to set up a five-wicket win by the DLS method at the Eden Park on Wednesday. "The atmosphere here is very good for bowling. The wickets are quite good.

"We had practiced here for four or five days earlier, so the wicket was similar. I just backed my length and my bowling style, and these are the results," Brar said in a video posted on the BCCI's social media accounts on Thursday.

The tall seamer had been hit for a six in his very first over and he said that prompted a change of plan. "The game plan was that the straight boundary here is a bit short. The six I conceded off my first over was on a slightly fullish delivery. So my thought process was to pull the length back and make it hard to hit over square leg or fine leg.

"I discussed this with Shubman, Arshdeep and Anshul, who had bowled on this wicket before, and they suggested if we hit the hard length, I would get better bounce because of my height."

India's seamers found movement and bounce from just short of a good length throughout. Arshdeep Singh took 4-70, and Anshul Kamboj, named Player of the Match, gave away only 22 runs in his 10 overs while claiming two wickets. Brar stated the collective effort of the four-pronged pace attack made the day special. "All four of us have got an opportunity together. Obviously, Arsh has played a lot of games. He is the most experienced bowler in India in the T20s. So, my plan was that if I am here to bowl, I have to back myself up and I have to win it for this team. That combined effort made it even more fun. "Even Auqib (Nabi) didn't get a wicket, but he bowled brilliantly and Anshul bowled brilliantly. I bowled a brilliant spell as well and had wickets too. So, it feels really good if all four fast bowlers are playing for a purpose, and we achieve that. So, hopefully, we will keep doing this."

Valverde's stoppage-time thunderbolt keeps Real Madrid unbeaten in Champions League

Athens, Nov 5 : Federico Valverde came to Real Madrid's rescue with a spectacular stoppage-time strike as the Spanish giants edged AEK Athens 3-2 in a thrilling UEFA Champions League encounter on Wednesday, extending their winning run to seven matches across all competitions. Real Madrid maintained their perfect record in the league phase, registering a fourth consecutive victory after recovering from two deficits against a spirited AEK side in Athens. The hosts made an aggressive start and were rewarded in the 12th minute when Aboubakary Koita cut inside the Madrid defence before beating Thibaut Courtois with a powerful finish at the near post. Madrid gradually settled into the contest and found their equaliser through Jude Bellingham. The England international displayed excellent technique to turn a low delivery from Marc Cucurella into a delicate flicked finish that left goalkeeper Alberto Brignoli with no chance.

Virat Kohli picks Champions Trophy 2013 final knock as his 'top ODI innings'

New Delhi, Nov 5 : Indian icon Virat Kohli picked the 43-run knock off 34 balls against England in the Champions Trophy 2013 final as his "top ODI innings" as the former India skipper celebrates his 38th birthday on Thursday.

Kohli, 38, remains the heartbeat of the cricket-loving nation as he continues to dominate ODI cricket, the only format he is currently playing for India.

The run-machine has played some jaw-dropping knocks since his debut and is rightly known to be a chase master and one of the best ODI batters the world has ever seen.

His 183 against Pakistan in the 2012 Asia Cup, 133 against Sri Lanka in the 2012 Commonwealth Bank Series with a prime Lasith Malinga, and a clutch 85 against Australia in the 2023 World Cup league stage were among the options he was given.

In a video shared by Star Sports on Kohli's 38th birthday, the legendary batter picked the clutch 43-run knock he scored in the Champions Trophy 2013 final that played a key role in helping India win the title over England.

The clutch knock came in the rain-hit 20-over per side clash in overcast conditions at Edgbaston. With wickets falling all around, Kohli scored 43 from 34 balls with a four and a six to power India to 129/7 in 20 overs, which helped India win the title by five runs later.

He came in to bat at 19/1 and had a 41-run stand with Shikhar Dhawan (31), before he saw the Men in Blue reel at 66/5. He stayed out in the middle and was dismissed only in the 19th over, as India put up 129/7 with help from Ravindra Jadeja's 33 too.

In the video shared, Kohli first picked the 35 he scored against Sri Lanka in the 2011 World Cup final over the 133* against Sri Lanka in 2012. That stood for quite some time before Kohli chose 43 against England.

He also gave considerable thought to the Champions Trophy final knock and the 107 against Pakistan in the ODI World Cup 2015 before choosing the 43 against England as his top knock.

Women's ODI World Cup win turned us into household names, says Smriti Mandhana

New Delhi, Nov 5 : India captain Smriti Mandhana said the biggest change since the team's 2025 Women's World Cup triumph on home soil has been the respect women's cricket commands now, and the way its players have become household names in the country. "Not a lot of things have changed in a way, but the respect women's cricket has got in the last one year after the World Cup, and to see people really being involved a lot more, I think that's something which has been a really pleasing change for me. To just see everyone kind of becoming a household name is a very pleasing sight," Smriti told JioStar. Looking back on the day of the final against South Africa at the DY Patil Stadium in Navi Mumbai, Smriti remembered the send-off the side got from fans at their hotel, even as the rain poured down.

"A very good sight was that, even though it was raining, there were around 1,000 people outside our bus, outside the hotel, actually seeing us off. It was a very good sight for us, and it gave us a lot of positivity. Even in the rain, people were standing there, getting wet, but trying to give us all their best wishes."

Opener Shafali Verma, who became the Player of the Match in the World Cup-winning final for her knock of 87 and picking two scalps, spoke about her partnership with Smriti at the top of the order.
